

FREEDOM OF INFORMATION PUBLICATION SCHEME POLICY

AIM/PURPOSE

The aim of the policy is to explain the principles of Freedom of Information, Fair Processing and Privacy Notice and how they apply to students and staff.

GENERAL PRINCIPLES

Manchester City Council has issued the following guidance:

'The Information Commissioner has recommended that the term 'Fair Processing Notice' be replaced by 'Privacy Notice'. The DfE is therefore adopting this approach in its data collections from now on, and has reviewed the whole process of issuing Privacy Notices.'

In the past, the suggested text has included the use of school information which is made available by the LA or the DfE. However, the new process will mean much simpler Privacy Notices, where details of any organisations with which the LA and DfE share data are contained on the LA and DfE websites, with links from the Privacy Notices. **This means that Privacy Notices do not need reissuing on an annual basis.** The aim is to make the Privacy Notices issued to children and staff, general and constant. Any changes to the details of organisations with which school or LA data is shared can be updated on the LA and DfE websites.

Once a printed copy of the new Privacy Notice has been circulated to all relevant parties it only needs to be distributed to new students/employees on their arrival at the school.
