SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Easter Act Of Worship

On the final day of term prior to the Easter holiday, the whole school Easter service was led by the Chaplain, Rev Steve Birkinshaw, in the sports hall. Readings were taken from John Chapter 20 v 1-29, the choir sang 'In Christ Alone' and 'The Creed' with the congregation hymns being 'The Servant King' and 'Thine Be The Glory'. A most appropriate and fitting way to the end of term and, as always, an extremely busy and hectic time of year. Whole school acts of worships, monthly Eucharist services and daily acts of worship for year groups and houses are ways in which we maintain what is referred to as our “Christian character and Anglican distinctiveness”.

Passion Eucharist

Earlier in the week, the Passion Eucharist was conducted by the Bishop of Manchester, The Rt Revd Dr David Walker. As part of an excellent service, accessible and understandable to all who attended, the Bishop also referred to his own school days, the question of “proof” and the conviction of the disciplines as they subsequently spread the good news.

Visit To The Church Of The Ascension

From Assistant Head of Religious Education, Ms Bansal: “Recently, we took class 7MKI to tour this well known Church which is within walking distance of Trinity. The students completed activities such as understanding the significance of the altar table (made in the 1600s), the stations of the cross and the stained glass window.

Bridgewater Hall Opportunity

From Ms Gocher, Head of Music:

“On 22nd March, 10 students from Trinity's orchestra were specially selected to perform in a project with the National Orchestra For All at the Bridgewater Hall, along with four other schools from around the North West. They performed an arrangement of Dvorak's Symphony No.9 extremely well and had the opportunity to play with instrumentalists from other orchestras. Our students performed brilliantly and represented the school with the utmost integrity. Well done to all involved!”

Sport Relief Fundraising

Students and staff were invited to take part in the recent “Sport Relief Mile” (8 laps of the astro-turf) in order to raise money for the Comic Relief Charity. To date, £159.21 has been raised. In the “serious runners” section of the race, the results were as follows:

1st	Isaac Husbands	Year 11
2nd	Noah Douglas	Year 9
3rd	Glen Cheeran	Year 10

A number of members of staff took part, a notable presence being teacher of science, Mr Cann, who ran backwards for eight laps! In addition, a cake sale contributed to the funds raised.

And Finally.....

.....a new senior school tie for September, 2016! Year 9s will very soon be ordering their black jumpers ready for their move into Year 10. With the black jumpers, a new Year 10 tie will be sold, both items being compulsory Year 10 attire. Current Year 10s, as they progress into Year 11, may wish to purchase the new senior school tie or, as from September, continue to wear their current school tie. Further details and order forms are available from Student Services.
