## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

## Activities For All

Last week, the school timetable was put on hold to enable all year groups to be involved in ‘Activities Week’, and this weeks newsletter tries to summarise and illustrate the broad range of opportunities available. In addition, there were two educational excursions to Paris (French and mathematics), the Duke of Edinburgh’s Award Scheme expedition and a Christian Retreat in Taize. Year 10s sampled “the world of work” with five days work experience. This week, students of I.T visit Switzerland and France. For everyone else, though, back to lessons as the normal timetable resumes for the final two weeks of the school year.

## Year 7 Arts Week

Activities such as Street Dance, Musical Theatre, African Dance, Minerva Arts, Street Combat, Percussion, Sound Tracks, Art, Sculpture, Film and Play in a Week were the choices available either at “Z-Arts Centre” or school. A great opportunity to develop the arts and two outstanding “Showcases” were held on Friday.

## Year 8 The Peak District Residential

Ilam, in the beautiful surroundings of the Staffordshire Peak District, was once again the venue for this most popular experience. Activities included raft building, kayaks and double hulled team boats at Astbury Mere;

abseiling, rock climbing and scrambling at the Roaches, cycling on the Manifold Trail and archery at the Dove Valley. The “Peak Experience” is certainly a memorable moment in the lives of Trinity students.

## **Year 9 Business And Enterprise**

Students were introduced to the world of business organisation and able to form companies and produce items such as cakes, cards, fashion items and crafts. In addition, the Manchester City Enterprise Activity, Dragons Den Project, organisation of a Sports Tournament and photography made up a wide range of activities. At the end of the week, the students had to sell their products and, hopefully, show a healthy balance sheet. Photographs showing the Trinity businesspeople at work can be found on the next page.
