VOLUME 33, No 4

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

SIXTH FORM OPEN EVENING

Wednesday, 12th October
2016

7.30pm – 8.30pm
in the
Sixth Form Centre

Year 11s and parents welcome to attend.

Sixth Form Open Evening

Year 11 students and parents are invited to attend the above event. The Trinity Sixth Form offers a broad range of subjects and courses, guaranteed small class sizes and a tutorial support ratio of 10:1. There are also a good range of “enrichment” activities, referred to on the next page, and the value of working with staff who know our students extremely well is clearly an advantage. Plus, of course, according to OFSTED and the National Society, Trinity is an “outstanding” school. Visit the Sixth Form Centre on 12th October and see what you think! We’re sure you won’t be disappointed.

Sixth Form Enrichment Activities

These include first aid, sport, voluntary service and the Duke of Edinburgh's Gold Award Scheme. All such activities are free of charge to our students and paid for in full by the school. Our Sixth Formers are not just smart in appearance - as the photographs show - but smart in their decision to return to Trinity for their post 16+ studies. With 5+ A*-C GCSE grades, including English and mathematics, and grades 'B' in your chosen advanced level subjects, you could be one of them!

Glad To Be Here

We are also delighted that all our students, particularly the 240 Year 7s, have made such a positive start and are settling into life at Trinity, as the photographs show.

For Year 6 children and their parents, the “Trinity Tours” continue every Tuesday, Wednesday and Thursday upto 20th October. We also had an excellent Open Evening on Thursday, 22nd September, attended by over 700 adults and children. Year 6 parents, please remember that the deadline for high school applications is the end of October; local authority forms to be returned to the respective L.A, and Trinity forms to Trinity. The Trinity Governors’ Admissions Committee meets in early December to consider all applications, and parents will be informed of the outcome on 1st March, 2017.

The Trinity Governing Body

With the start of a new school year, we have meetings of the various groups of governors who monitor and evaluate the school and agree targets for the coming year. In addition to the Full Governing Body, work is undertaken by the following committees:

- Admissions.
- Curriculum.
- Finance.
- Personnel.
- Premises.

The “Chairs” of each of the above committees also meet together as the Standing Committee. Other committees, such as Discipline, are convened as required.

Weekly Reminders

Every week there is a different reminder for students in order to focus their minds on one key priority. For example, this week has been “Homework and Revision”. There is also an ongoing need to remind students about their “Behaviour in the Community” and the standards we expect from students as they travel to and from school. In reinforcing this message, we greatly value the support of parents.

And Finally.....

.....local artist Eamonn Murphy has recently donated three of his works, shown below, for display in the school. Mr Murphy is an illustrator who creates stylised posters of Manchester's great landmark buildings. The three original works of art show the civic, commercial, cultural, sporting and religious buildings of this great city of ours, and are displayed on the science corridor landing of the Temple building.
