SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

A Memorable Occasion

The date; 1st November, 2016. The occasion; the official opening of the Trinity Church of England High School Sixth Form. All available tickets were distributed in advance and our guests included the Lord Lieutenant, High Sheriff, Diocesan Director of Education, Hedge Fund Manager, Andrew Law and, of course, the Bishop of Manchester who formally opened the Sixth Form. Guests also included parents, the Student Council, Year 12 students, present and former staff, governors and friends of the school. The two choirs sang extremely well and, following the formal “opening”, tours of the Centre were followed by light refreshments.

Two “Big” Events

Shown below are the launch of the Debating Society, now known as ‘Debatemate’ and the Year 7-9 Quiz Competition, referred to as a “Big Fat Quiz”. Both events were extremely popular and well received. The equally successful Year 10-11 Quiz was held the following week.

A Talented Photographer

Sam Nicholson Holding, from Year 7, will not be in school on 16th December! He will be at the Tower of London as one of the finalists in the RSPCA Young Photographer of the Year for 2016. Good luck to Sam for an enjoyable and successful day.

Two Letters Of Appreciation

From the Wellspring Society in Stockport thanking Trinity students for “Your kind and generous gifts of food delivered recently.”.

Also, from the Cornerstone Centre “A big heartfelt thank you for the wonderful gifts that you so generously gave us.”

Both of these letters followed our recent Harvest collection and donation of items to these two worthy organisations.

Children In Need

A reminder that next Friday, 18th November, will be a non-uniform day in support of Children in Need, and we are asking for donations of £1 per person.

Mr Reggie Dabbs

Students from various year groups recently attended a presentation by Reggie Dabbs, a motivational speaker from the USA. Mr Dabbs had a deprived and challenging childhood yet, even so, he has succeeded in life and has a really positive and engaging story for young people. Mr Dabbs combines humour with serious comments and was very well received by our students.

And Finally.....

.....Black History month, October, concluded with House assemblies for all our students led by Mr Dennis and Mr Nicholls, pictured below.

The message this year was that “There’s a lot more to Black History than slavery” and civil rights. In support of this, reference was made to the contribution of Black people in the fields of science, technology and medicine, and the work, inventions and discoveries of numerous Black people including Sarah Boone, Lloyd Ray, Thomas Stewart, George Samon, John Love, William Purvis, John Burr, Robert Spikes, Joseph Gammel, Garret Morgan, Albert Robinson, William Barry, Alexander Mills, Alive Parker, Fredrick Jones, Lewis Latimer and Dr David William.

Bearing in mind the immense contribution that the above Black people, and others, have made to modern society, the final question posed was very thought provoking;

“What would the world be like without Black people?”
