## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

## Christmas Is Coming

.....and Christmas trees are sprouting up all around Trinity! The school's two main trees are to be found in the student reception and the hall. There are department based trees and, for the first time, a Sixth Form tree. Particularly innovative and, shown above, is the chemistry tree, or “chemistree”, on display in the science department. Well done to science technician, Mrs Mellor, for her creative contribution to Christmas at Trinity. Just one week of school to go, now, but lessons and work continues as normal. If this was not the case, there wouldn't be much point in being at school, would there?

## Books Galore

.....at our annual Book Fair, held recently in the LRB. As the phrase goes; "Those who read, succeed". Reading good books introduces students to accurate sentence and paragraph construction, a varied vocabulary, correct spelling and grammar. All this comes under the heading of "literacy" and is essential for success across the curriculum.

## Year 7 Disco

Enjoyed by everyone, last week, and organised by our Year 12 students, a real end of term celebration. Congratulations, also, to our Year 7s on completing a successful first term at Trinity.

## A Serious Time Of Year

Especially for our Year 11s who, yesterday, finished their GCSE mock examinations. Results will be out in the new year and will give a good guide to Sixth Form aspirations.

## Sixth Form Studies

Our Sixth Form students, such as the advanced level scientists shown below, are really blossoming into hard working and responsible young adults as they complete their first term in Year 12.

Listen to Ellis, our choirs and musicians at our Carol Service at Manchester Cathedral on Wednesday, 21st December - all welcome. We begin at 7.30pm, but please be seated by 7.20pm.
