SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Photograph Of The Week

We are now exactly half way through the school year and, on Tuesday, we welcomed everyone back to Trinity including Year 10 students, shown above. The importance of being at school regularly is as important now as it was on the first day of the school year. Currently, whole school attendance is a creditable 96.5% and a full form by form breakdown can be found on the inside page. The logic is blindingly obvious; if you aren't here, you can't learn; and if you can't learn, you can't succeed. Aim for the best; aim for 100% attendance. And, for guaranteed success when you start the day, work to the best of your ability and behave well. Easy, isn't it?

Attendance Breakdown

Family holiday taken during term time have an adverse effect on children's academic progress. Schoolchildren only have to attend school for thirty eights weeks of the fifty two week year, and this gives fourteen weeks during which family holidays can be arranged.

Calendar 2017 - 2018

In next weeks newsletter, I should be able to publicise the school term time and holiday pattern for next year. This will give parents plenty of time to schedule family holidays during the fourteen weeks that children do not have to attend school.

Well Done, Isaac

The recent religious education homework project was to design and build a church and Isaac Hewerdine, from Year 7, built a lego church, shown below. A superb piece of work with, I am led to believe, a degree of help from his dad!

Musical Achievements

Congratulations, also, to Funmilola Olawuyi and Alaa Eleyan, both Year 10, who have passed their silver medal violin exams. Both girls attend violin lessons in school and play in the school orchestra.

Three Dimensional Geography

Connecting points of equal height - contour lines - was a recent Year 7 geography project, as the photographs show.

Year 10 Parents' Evening

A very busy and, we hope, worthwhile occasion for the very high number of parents - 77% - who attended.

And Finally.....

.....this years school production, the musical 'The Wizard of Oz' should be a real spectacular. Details can be found below.
