## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

## Photograph Of The Week

The 'Wizard of Oz' musical certainly lived up to our high expectations with marvellous performances on Tuesday, Wednesday, Thursday and Friday to almost capacity audiences. The boys and girls involved were professional and polished and the music, scenery and costume were absolutely first class. Well done to everyone involved - staff and students - and a very high profile initiative that once again shows the school's commitment to the performing arts. Thanks, also, to parents and other family members for supporting the boys and girls with their enthusiasm, optimism and, of course, their attendance at the four performances. More photographs showing scenes from the musical can be seen on the next page.

## **The Gideons**

Last week, Year 7s had their annual visit from the Gideon organisation. Their representatives gave a very interesting insight into their work before handing out free copies of the New Testament to everyone who wanted a copy. Ron Hyde, the main speaker, subsequently sent in this message;

“Just a note to say thank you for arranging our visit today. Please pass on our thanks to staff and students for the warm welcome Robert and I received. A special thank you to the staff who helped distribute the Testaments at the end. Please relay to the students our appreciation of their excellent behaviour and participation in the talk. Some excellent responses to the questions.

As always, it was a joy to be at Trinity and the school should be proud of all the achievements. Looking forward to visiting again in the future. If we can be of any help in other areas as discussed please let me know.”

## **Ghyll Head Challenge Result**

Not winners, this time, but a credible and commendable 2nd place was given to our Year 10 team. This outward bounds weekend continues to be character building and also great fun.

## **“Welcome” Evenings**

On Tuesday and Wednesday evenings we invited next years Year 7 children and their parents to join us for one of two evenings aimed at welcoming everyone to their new high school with presentations to cover the following aspects of life at Trinity;

- What makes Trinity so successful.
- The support we provide.
- Subjects studied and facilities.
- Opportunities beyond the curriculum.
- The transition from primary to secondary school
  - followed, of course, by refreshments in the Temple canteen.

## **French Film Festival Involvement**

Head of Modern Languages, Ms Cecile Jones, writes;

“The aim was for some students from MMU and a sample of Year 8, Year 11 and Year 12 students, studying French, to experience a different angle of French-speaking culture through the study and review writing of short films. As the students involved were the only ones in the UK, the organisation in charge of MyFrenchFilmFestival, Unifrance, sent MMU and Trinity prizes to be given to the best reviews, three of which will be published on their website.”
