VOLUME 33, No 30

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

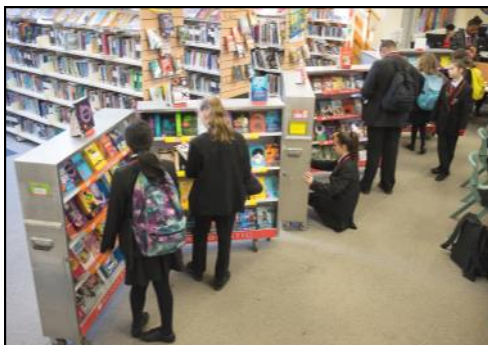

Photograph Of The Week

Our learning resource base (L.R.B) was busier than usual last week with our Spring book fair. Many popular books were for sale and students of all ages turned up to browse and consider their purchases. Coincidentally, the event took place during the week in which the “reminder for the week” for students was literacy - highlighting the importance of literacy across all subjects, not just English. Reading promotes a good vocabulary, correct spelling, punctuation, sentence and paragraph construction. More details about the book fair can be found on the following page.

Spring Book Fair

From our LRB manager, Mr Richardson:

“We held our spring book fair in school last week and it was a great success. Thanks to everyone's support we sold enough books, stationery and posters to earn more than £200 worth of free books for our school, so expect to see those on the LRB shelves very soon. A special thank you to our student helpers, Noemi Poggi and Lisa Saruzi, who kept things running smoothly all week. And if you missed out this time, don't worry - our next book fair will take place in December.

Awards Evening

Last Wednesday, we had our first awards evening of the school year, for “Mathematics, Science and Technology”. Well done to all the students who received their certificates which were presented by Dr Dawn Edge, senior lecturer at the University of Manchester.

As usual, thank you to the large number of family members who attended the event. The support of parents in encouraging their sons and daughters is so important in the education process. Our next awards evening is on Tuesday, 16th May, “English and Humanities”, and we hope that all those invited will be able to attend the event.

A Busy Week

The Year 9 girls' football team will be trying to make it a Trinity double when they play their Manchester schools' football cup final against Wright Robinson College at Platt Lane. Last week, the Year 8 team gained their first trophy of the season in a game that was featured in the newsletter. In classrooms, the work continues.....

Examination Time

- "Progress Tests" for Years 7, 8 and 9 in English, mathematics and science began on Monday, 8th May.
- Year 10 examinations also began on Monday.
- The period of Year 11 GCSEs begins on Monday, 15th May.

Good luck to all those taking examinations.

Tours Of Trinity

For parents and their children in Year 5, the Summer tours of the school will be held every Tuesday, Wednesday and Thursday, 6th - 22nd June, from 9.15am - 11.00am. If you are considering Trinity as the school of choice for your son or daughter from September, 2018, please book a place on one of our tours by either e-mailing hamilton_m@trinityhigh.com or by phoning 0161 212 1900.

And Finally.....

.....last week, we reported on the final Year 11 photograph. This week, a different perspective, showing how the final version was meticulously organised!
