“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Sixth Form Success!

Four Sixth Form students, shown above, have secured Nuffield Research placements. Head of Sixth Form, Ms Tattum, tells us more:

“The placements give students the opportunity to work alongside professional scientists, technologists, engineers and mathematicians during the summer holidays. It is a very competitive process with students having to write personal statements, show high levels of academic progress, commitment and enthusiasm. Four of our Year 12 students applied for places and all four were successful. Poornima Geemon, Mustafa Ismail, Pakiza Jawadi and Emmanuel Yakubu will take part in a variety of projects including researching brain cancer with the University of Salford at Salford Royal Hospital, skin cancer research at the University of Manchester and molecular pathology and engineering projects. We are thrilled that they have been successful.” Congratulations to all four!

Final Half Term

Last Monday, we began the final half term of the school year with the message “business as usual”. To re-inforce this, the reminder for all students was that of “personal organisation, equipment and planners”. That is, having everything to hand for all classroom and practical lessons, with student planners on desks in order to make notes of homework tasks. Good luck to everyone for the remaining 17% of the school year.

The Trinity Eucharist

Celebrating the Three in One; God the Father, Son and Holy Spirit, with a reading from John's Gospel and supported by the hymn, 'Jubilate'. The service was led by Revd Pete Horlock, Chaplain to the Manchester Business Community and parent of two current Trinity students.

Duke of Edinburgh's Award
