

29th September, 2017

VOLUME 34, No 4

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Open Evening

On Thursday, 21st September, we welcomed hundreds of families through our doors for the annual Trinity Open Evening. Prospective parents and students explored different departments around the school to give them a taste of what life will be like at Trinity. The above pictures show families enjoying talks, activities and demonstrations in our science, geography, English and design technology departments. We hope that everyone enjoyed the occasion! Please remember to submit your Trinity supplementary application form before the deadline date: 31st October, 2017.

Open Evening - Continued

Experiments and demonstrations in the science department are always an exciting element to our Open Evening, as the photos below illustrate.

Pond Life!

Our Year 7 students are getting to know some of the outside areas of the school by undertaking a mapping project in their geography lessons with our Head of Geography, Mr Stockley. Below you can see photographs of the students accurately positioning our pond area in relation to the main building, and appreciating the life in the pond as well!

'Tales From Trinity'

'Tales From Trinity' is a collection of works written by our students, including 40 poems and stories from this year's writing competition. The book also contains work from the participants of the 'We Write' workshop that runs on Wednesdays after school. The book was illustrated and edited by a group of Year 7 students during Arts Week.

The book was successfully launched at the school's recent Open Evening. The following day, some of our newly published authors visited Manchester Central Library to present them with a copy of our book. This will be included in their collection of over one million books and will be available to members of the public.

The photos below show our students presenting the book at Manchester Central Library and launching the book at our Open Evening.

The book is available to buy in school in paperback form for £4 from the LRB or is free to download from the school website.

We hope that all of our readers will take a look at the 'Tales From Trinity' book that showcases the talents of many Trinity students.

Happy reading!

Next Week

The Year 7 parents' evening with form tutors takes place on Tuesday, 3rd October at 4.00pm. Appointments will be arranged by form tutors and we hope many parents will be able to attend to discuss how our new students are settling into life at Trinity.

There will also be a Year 12 Scene Setting meeting for parents, entitled 'The Journey Continues', which will take place on Thursday, 5th October at 7.30pm.

And Finally...

...teacher of music, Ms Gocher, shares some good news with us:

"Congratulations to Jan Wos, 9AGO and Keena Kuffoh, 8SMC, who both took their grade 2 ABRSM violin exams at the end of last term. Both students achieved a merit in their exams. Jan and Keena are both keen members of the school string group and orchestra, and we are very proud of their achievements. Well done!"
