

20th October, 2017

VOLUME 34, No 7

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Trinity's Big Fat Quiz!

Head of Tiger House, Ms Maxwell, tells us about a recent House event:

“On Tuesday and Wednesday last week, students took part in the 2017 editions of Trinity's Big Fat Quiz, organised by the Heads of House. Nearly 130 students from Years 7-12 took part in the event over the two days and answered questions on a range of topics including Science, Music and Perception. The KS3 event was won by a team from Springbok, whilst Wallaby contestants were triumphant in the KS4/5 quiz. The events attracted our highest ever turnout and a good time was had by all. Well done to all participants!”

Sixth Form Open Evening

Last Wednesday, we welcomed prospective students and their families to tour our Sixth Form at the annual Sixth Form Open Evening. The event was very well attended and the photographs below illustrate the vibrant and positive atmosphere throughout the evening.

Special thanks must go to our fantastic Year 12 students who participated in a Q&A session during the evening: Glen Cheeran, Ayub Mohamud, Beth Presswood and Oreoluwa Yakubu, who can be seen in the bottom right photograph. We hope that this session was very helpful in showing students that they are making the right choice when they apply for the Trinity Sixth Form!

Trinity Engineers!

Teacher of Engineering, Mr Barney, tells us about a recent trip for some of our KS5 students:

“I took all of the KS5 engineers to the University of Manchester to work with some of their materials and some of the university’s PHD students. Our students looked at the microstructure of metal specimens and saw how to prepare the specimens before moving onto investigation using microscopes. They were also equipped with cameras to view a range of samples. This ties in with one of the BTEC Engineering course units.”

House Assemblies

Earlier this week, assemblies took place in the main hall for all KS3 and KS4 students, which were led by members of our pastoral team; Head of KS3, Ms Baxendale and Head of KS4, Mr Westmoreland, along with our five senior tutors; Ms Ripley (Year 7), Mr McCoy (Year 8), Mr Pringle (Year 9), Ms Davies (Year 10) and Mr Zamir (Year 11).

Important messages were given to students about the expectations the school has in terms of behaviour, both in school and in the community. We hope that these messages were taken on board by all students, and will be reinforced by parents, so that this year can be as successful as possible for everyone.

Half Term Holiday

The half term holiday begins for students at the end of the day on Thursday, 19th October, 2017, and the next half term will begin on Monday, 30th October, 2017.

And Finally...

...why don't you check out our school P.E twitter feed? It can be accessed using the link below and will keep you up to date with lots of the sporting successes of our students!

<https://twitter.com/TrinityHighPE>

Here are just a couple of the highlights from the P.E twitter page from last week:

October 12: TrinityHighPE

Thrilling game of basketball, Trinity just edged it in the final moments of the game 27-26 win against [@TEMAcademy PE](#) [#teamtrinity](#) [#OneTeam](#)

October 13: TrinityHighPE

Well done TeamTrinity, boys are Greater Manchester champions and girls finished 2nd out of 14 team [@mcrcschoolsPE](#) [#teamtrinity](#) [#oneteam](#)
