Welcome Back!

On Monday, 8th January, we welcomed back our students following the Christmas holidays to the start of a new calendar year at Trinity. We hope everyone had an enjoyable and relaxing break and that our students are ready to work hard and succeed in the new term. It has been a busy first week back for the school, with today, Friday, 12th January, of significant importance. Not only is today the mock exams results day for our Year 11 students, but we have also had the honour and delight of welcoming a very special guest to Trinity - a member of the Royal family! Full details and photographs will be revealed to our readers in next week's edition!

The Week Before Christmas

The week leading up to the Christmas holidays may feel like quite sometime ago now for our readers, but it was certainly a busy and eventful week at Trinity! The week started with our magnificent carol service at Manchester Cathedral on the Monday evening. On the Tuesday and Wednesday, our students were treated to special Christmas dinners by the catering team, and served by members of staff from the Leadership Team! On the Wednesday, as a reward for our Sixth Form achieving 'outstanding' earlier in the term, our Sixth Formers paid a visit to the historic city of Chester for the afternoon. The week concluded with two Christmas acts of worship in the Sports Hall and included carols, prayers, and performances from the choir and orchestra.

School Uniform - Important Notification

Before the Christmas holidays, a uniform leaflet was distributed to all parents regarding the new arrangements for purchasing items of uniform. Please note that as from Monday, 15th January, 2018, the only school uniform items that can be purchased in school will be school ties, P.E socks and headscarves. All other items of uniform are to be purchased directly from Sportswear International. Orders can be placed online, by telephone, or by post. Parents will be able to find guidance on how to order items in the 'Uniform Information' leaflet and on the school website.

ParentPay

As it is the start of a new year, we would like to take this opportunity to remind parents about the benefits of using 'ParentPay':

- Payments can be made online through the secure ParentPay website.
- Students do not need to bring cash into school, as money deposited on ParentPay can be used to pay for food in our canteens and to pay for school trips.
- Parents are able to see what their child is eating in school during the day.
- A wide variety of payment cards can be used to top up your ParentPay account.
- It is also possible to top up your ParentPay account at local convenience stores displaying the 'PayPoint' logo.

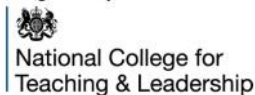

For more detailed information, please take a look at the ParentPay section on the school website:
