VOLUME 34, No 25

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Treasure Island

On Wednesday, Thursday and Friday last week, the school was proud to present three performances of Robert Louis Stevenson's 'Treasure Island'. The acting, costumes, staging, lighting and sound effects all came together spectacularly to create yet another outstanding school production. Our thanks go to the cast, seen in the above photo, as well as all the other students and staff who worked so hard behind the scenes. A special mention must be made to Mr Wells, Head of Drama, and to Ms Kirby, Teacher of Drama, for all their efforts and hard work in what was an excellent occasion in the life of the school.

Treasure Island - continued

Here are some more photographs taken from the Treasure Island performances last week:

National Pi Day!

On 14th March, Trinity celebrated National Pi Day and Mr Balcombe, Course Director of KS5 Mathematics, organised a competition after school to see who could recite Pi to the most decimal places. The winner was Ryan Tang in Year 10 who recited Pi to an incredible 115 places! Prizes were awarded to students and a special 'Pi Pie' was made for the occasion. Well done to all involved - here are the numbers Ryan recited; do you think you could beat it next year?!?

Boys' Basketball

Further to the front page article from last week's newsletter, on Monday, 19th March, our U16 boys' basketball team competed at home in the semi-final of the English Schools' Basketball Competition against St Bonaventure's school from London. It was a great game to watch; sadly, the team fell slightly short and were beaten 74-58. We are very proud of what the students have achieved and for getting so far in the competition!

UCAS Convention

From Head of Sixth Form, Ms Tattum:

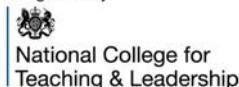

“On Wednesday 14th March, Year 12 attended the annual UCAS Exhibition at Manchester Central. Our students were able to speak to representatives from all universities in the UK as well as some apprenticeship providers and industries. This was a very rewarding experience for lots of the learners who came away with new ideas of where and what they might wish to study at university. The representatives they spoke to were able to give them advice on entrance requirements as well as information about the universities themselves, living arrangements and extra-curricular life. Tof Apampa, studying Economics, Psychology, Maths and Further Maths, said he gained valuable information about writing his personal statement from the specific universities he wishes to attend. A successful visit all round!”

And finally...

...the Easter holidays begin for students at the end of the day today, Friday, 23rd March, 2018. We hope everyone has an enjoyable and relaxing break; the school will re-open for the start of the summer term on Monday, 9th April, 2018.
