VOLUME 34, No 36

## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

## Sports Awards Evening

Last Thursday, our Sports Centre played host to the annual Sports Awards Evening. To present the awards to students, we were delighted to welcome Nicolette Fong Lyew Quee, a former Trinity student (seen in the top right photo) who is a Team England basketball player and recently represented England at the Commonwealth Games in Australia.

The evening was a great success in terms of recognising the hard work, dedication and talent of many students for their sporting achievements throughout the year. Our thanks also go to the P.E team for allowing students to thrive in the department. Well done to everyone who received an award.

## **Bake Sale**

Further to last week's front page story, 7NBA, shown below, have been hard at work preparing for their bake sale. The delicious treats went on sale to students and staff last week and a total of £75.24 was raised. All proceeds will be donated to the Young Minds charity.

## **Trinity's Got Talent**

From Head of House, Ms Maxwell:

“Last Thursday saw the final House event of the year take place - Trinity's Got Talent. Many students auditioned for this year's show over two separate evenings, and the House Leaders had a real challenge on our hands to decide on the acts to put through. In the end, 10 acts were selected to perform in the show, which was attended by a 200-strong audience who were treated to a

mix of music, singing and dance performances, as well as the ever-entertaining hosting skills of Year 11 students Tyler and Manasse.

The triumphant students were:

- 3<sup>rd</sup> place: Jess Malala (Year 7) - singing an acapella rendition of Sam Smith's 'Lay me Down'.
- 2<sup>nd</sup> place: Kyra Smith (Year 9) singing classic tracks from Etta James and James Brown.
- 1<sup>st</sup> place: Israel Fadora (Year 9) with his self-choreographed street dance.

All money raised by the talent show will be donated to our winner's chosen charity; this year £184 will go to Cancer Research UK.”

## Eco-Homes

From Head of Geography, Mr Stockley:

"In recent Year 7 Geography lessons, students have been learning about sustainable cities with an emphasis on how individual homes and people can protect their environment. Ms Goulding's classes have made some models of sustainable cities and houses showing recycling facilities, methods of energy efficiency and how to cut down on the use of cars. How could you make your own homes more sustainable and do your bit for the environment?"

Some of the above models and more will be shown at the English and Humanities Awards evening on Thursday, 5th July, 2018.

## Spelling Bee

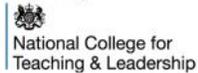

On Thursday, 21st of June, Teacher of English, Ms Ali, took Leo Powell (7NBA) and Maisha Isaaq (7NBA) to an inter-school Spelling Bee competition for Year 7 students, held at Burnage High School for Boys. Five schools competed, with 12 contestants involved. Both Leo and Maisha did exceptionally well and represented Trinity into the final five students. Leo finished as the fourth finalist in the competition and Maisha was the runner up. A big congratulations to both our contestants for doing so well in the competition.

**And finally...**

...the Duke of Edinburgh Award Scheme expeditions continue to be a great success. The below photos show our Silver candidates in woodland in the Peak District and our D of E Gold candidates in school.
