## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

## International School Award

We're really proud to announce that Trinity has yet again achieved the "Reaccreditation" level for the International School Award (ISA) with the British Council, as applied for by Mrs Walker. This was a huge team effort across the school, in which we needed to demonstrate Trinity's efforts in international work within our curriculum as well as the school culture. The ISA programme supports schools in fostering an international ethos throughout the school and embedding it within the curriculum. A huge thank you to subject leaders and their departments in helping Mrs Walker to collaborate the international elements within each department.

## Year 11 Wave Exams

This week, our Year 11s sat a round of 'wave' exams in English and maths. This was a great experience for our students to express their subject knowledge, under exam conditions, ahead of the mock examinations which will commence at the end of November, 2022.

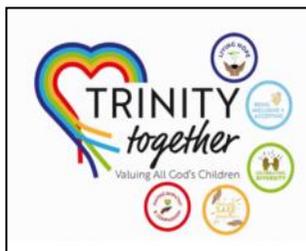

In order to support our Year 11 students through the wave exam week, our Chaplain, Dr Revd Birkinshaw, made arrangements to provide the students with a prayer and reflective well-being space in the school Chapel, as shown on the right.

The Chapel was made available at break time, exclusively for Year 11 students and we hope that this space provided our students with the opportunity to spend a few quiet and reflective moments, either in advance or following their wave exams.

## Black History Month

Under the umbrella of our 'Trinity Together' initiative, we have been celebrating Black History Month during October. Assemblies have been led by Ms Ripley (Lead Practitioner: Diversity Equality and Inclusion), Mr Dennis (Pastoral Tutor) and Mr Pritchard (Course Director of KS3 History). We also had a poetry quiz in the LRB last week. Students were invited to take part by reading poems by black poets, and answering a series of questions. Congratulations to the following students who scored a fantastic 10/10!

- **Year 7** - Brian, Ayomide, Jacob, Honour and Gabriel.
- **Year 8** - Aleksandra and Rennee.

Other ways we are celebrating Black History Month (BHM) in school include:

- A BHM inspired book recommendations list for students, compiled by teacher of English, Ms Burton.
- BHM displays around the school, that are linked to individual departments and black Mancunians.
- A range of resources available for students through Show My Homework.

## And Finally...

...congratulations to our students who took part in the Manchester Schools' PE Indoor Athletics competition last week. It was fantastic to see so many great performances and medals awarded to our students!

Mr Julian Nicholls  
Head
