

14th September, 2018

VOLUME 35, No 2

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Open evening

Monday 17th September

6.00pm - 8.30pm

This is an exciting opportunity for you and your child to find out about the outstanding education available at Trinity High and to talk to staff and students.

There is no need to book a place.

We look forward to welcoming many prospective parents and students to our annual Open Evening - it promises to be a great occasion! We will have many students helping out on the evening - parents picking up/dropping off are welcome to take a look around too.

Eucharist

Our first Eucharist of the 2018/19 academic year took place earlier this week and we were delighted to welcome lots of new Year 7 students to their first Trinity Eucharist. The service was led by our school Chaplain, Revd Dr Birkinshaw.

Faculty of Science and Engineering

From September, 2018, our Design Technology department has been incorporated into the new faculty of Science and Engineering. Work took place over the summer months to create a subject specific Engineering classroom, complete with a selection of 3D printers. This £50,000 investment will be of great benefit to our students at all key stages.

Dining Arrangements

Students will have noticed the new dining arrangements in the Greer dining room over the last week, with a new queuing system in place. We have acquired a selection of tensa barriers from the 2016 Olympic Games that took place in Rio! Students will see 'Rio 2016' etched onto the tensa barriers, which actually works very well with the colour scheme in our dining room.

We would like to remind parents that school meals now cost £2.40 and we have also gone "cashless" this year. Parents can top-up their child's lunch money account by using 'ParentPay'. Please follow the 'ParentPay' link from the homepage on our website, www.trinityhigh.com for more details.

Considerate Parking

We would like to take this opportunity to remind parents about considerate parking around the school site at the end of the school day. Parents picking up their children should avoid parking on pavements that pedestrians need to access. Police are in the area at the end of the school day and will be ensuring that the pavements and pathways are clear. Thank you for your cooperation in this matter.

Early Closure

Please note, due to Open Evening on Monday, 17th September, 2018, there will be an early closure for all students at 2.05pm.

And finally...

...on Tuesday, 4th September, Trinity student, Luke Matheson, started Year 11 and on the evening of that day, he made his debut with the first team for Rochdale Football Club! What a day!

We are very proud of Luke's footballing achievements and his debut with Rochdale last week was made even more spectacular by being named man of the match! The team

went on to win the match, 2-1, against local rivals, Bury. Well done to Luke and good luck to him and the team for the season ahead.
