VOLUME 35, No 3

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Open Evening

Our annual Open Evening took place on Monday evening and we were delighted to welcome close to a thousand visitors through our doors. It was a great opportunity for perspective students and parents to talk to staff and students, and to explore the outstanding departments we have at Trinity. I also gave four talks in our Interactive Lecture Theatre and was ably supported by four Trinity students, Glen Cheeran, Eva Cornick, Elizabeth Presswood, and Callum Shallcross, who shared their experiences at Trinity with the audience. All four students were without doubt great ambassadors for Trinity, speaking both confidently and articulately. I am sure they have given both the parents and students great assurance that Trinity will be the right place for them!

Year 7 Admission in 2019

The deadline for submitting a Trinity supplementary application form to join Year 7 in September, 2019, is 31st October, 2018. Please also ensure that you apply for a place via the Manchester City Council website.

Tours are continuing every Tuesday, Wednesday and Thursday, until 18th October, 2018, from 9.15am - 9.45am. Make sure you book your place to see the school in action by sending an email to admissions@trinityhigh.com

Freshers' Fair

Last Friday, all of our new Year 7 students, and their parents, had the opportunity to attend the annual Freshers' Fair. A vast array of stalls took over our Sports Centre, advertising all of the different clubs on offer. Our students could sign up for clubs such as chess, Christian union, cricket, choir, debating, DJ, film, gardening, rounders, world percussion - the list goes on! Being involved in extra-curricular activities is part of the whole Trinity package, offering students the chance to try something new or develop their skills in something outside the classroom.

New Signage

I'm sure many of our readers will have noticed the new signage on our school buildings that was installed over the summer months. We now have distinguished and illuminated signs on the Temple Building, Sports Centre and Sixth Form. With the darker mornings and nights approaching, they will look even more spectacular!

Scene Setting Meetings

Our Scene Setting meetings are now in full swing, with meetings for Years 10, 11 and 13 taking place over the past few weeks. The evenings are an opportunity to inform parents about the year ahead for students. At the recent Year 11 meeting, teacher of English Ms Parker and Assistant Head and Head of R.E, Mrs Buck, gave a very original demonstration to the audience about revision!

And finally...

...from Assistant Head and Head of Sixth Form, Ms Tattum:

“The new arrivals at Trinity Sixth Form once again have an international flavour! As well as returning Trinity students, we have some new students who have come from not just Manchester schools, but from schools across the world. Namitha has joined us from Kuwait and is enjoying settling into school and to living in this country. We have twins, Andre and Maria who have come from Brazil. They arrived here in the summer and have been learning English prior to starting their studies with us. Mehrpouya joins us from Iran and has quickly made friends and settled into his studies.

Joseph has relocated to Manchester from London and is part of the Manchester Magics basketball team and Xabi, an accomplished saxophonist, travels in every day from the High Peaks. Our other new arrivals are from closer to home. We welcome them warmly to our Sixth Form and wish them every success for the future.”
