## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

## 4G Pitch

After almost 8 weeks of hard work, we are delighted to announce that our brand new 4G pitch is now open! We are the proud owners of this state of the art playing surface, which is both RFU and FIFA approved. This £250k investment is going to be of great benefit to our students in both physical education lessons and extra curricular activities, the local community and, of course, our staff Friday night football team! The pitch was officially opened last Tuesday, with the opening game being Year 11s vs Sixth Form students. Congratulations to our Year 11s for being the victorious team, and to Enoch Takpe for scoring the first goal on the new pitch! More photos from the game can be seen on the inside pages.

## **Recyclable Products**

Our Catering Manager, Mr Clegg, tells us about a new ‘environmentally-friendly’ initiative within school: “We are pleased to announce that Trinity is replacing its single use plastic products with compostable materials. The following consumable products are now in use:

- Compostable pasta containers have now replaced polystyrene containers.
- Paper straws have now replaced plastic straws.
- The usage of polystyrene plates has been reduced by 90% this term.
- The introduction of wooden forks is replacing plastic forks. When students sit and eat inside, they still use traditional cutlery.

Other plastic consumables will be gradually replaced over the coming months with a compostable alternative.”

## Sixth Form Open Evening

Wednesday, 10th October, will be the chance to see 'the Jewel in the Crown' - our on site Sixth Form Centre, offering access to a wide variety of post-16 courses, traditional A levels and vocational alternatives.

Our Sixth Form was judged to be 'Outstanding' by Ofsted in October 2017, who made some of the following comments:

- "All students spoken to during the inspection would recommend the sixth form to others."
- "Teaching and learning in the sixth form is excellent in engaging students in their lessons."
- "Leadership and management of the sixth form is very strong."
- "Students are highly focused, interested and motivated."
- "Leaders provide students with high-quality, impartial information, advice and guidance right from the start of their time in sixth form."

## And finally...

...from teacher of music, Miss Gocher:

“At the end of last term, Emily and Keena took their Grade 1 cello and Grade 4 violin (respectively) with the ABRSM. We are very proud of the fact that Keena achieved a Pass and Emily achieved a Distinction. Both girls practice and perform regularly with the school's String Group and Orchestra and are very valued members of both groups. We are looking forward to using these outstanding results as a springboard for an exciting new year of music-making. Well done girls!”
