VOLUME 35, No 6

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.”

Harvest Collection

Head of Springbok House, Ms Sussman, tells us about the recent charitable House initiative: “Thank you to all those, students, families and staff that have contributed and supported in some way, to help make this year’s Harvest collection for the Cornerstone so successful. The Cornerstone is a charity in Manchester that runs a day centre providing services to vulnerable and disadvantaged adults, many of whom are homeless or facing homelessness. The collection was launched by house leaders in assemblies and a visitor from the Cornerstone explained how the charity supports one hundred people each day. The focus this year was on collecting tins of soup - we will report the total number of soup meals provided next week!”

Trips to Tatton Park

Year 7 Senior Tutor, Mr Carter, tells us about the recent trips to Tatton Park: “Last week, our Year 7 students were given an exciting opportunity to visit Tatton Park to participate in a team building day. Two forms went each day from Tuesday through to Friday to build their confidence and continue to develop positive relationships with members of their form and their form tutors. Students eagerly took part in team building games; they visited the beautiful Japanese gardens for a time of contemplation and reflection, as well as exploring the historical farm, where they met a variety of farm yard animals. Students were also given the opportunity to explore the main gardens and were very excited by finding their way to the centre of the maze... and back again. The team building encouraged friendships and enhanced social skills with an element of fun and adventure.”

Untold Stories from Trinity

Our LRB Manager, Mr Richardson, tells us about an exciting project he has been working on with Mr Cummings, Mr Haughton, Trinity students and some students from St James' CE Primary School in Rusholme:

“Look what we made!

Our school Open Evening saw the official launch of ‘*Untold Stories from Trinity*’, the second book written, illustrated, edited and published by Trinity students. The culmination of a year’s hard work, it is available to buy in school and online and to borrow from the LRB. If you fancy contributing to the next volume, enter any of the school writing competitions that we run this year, or come to the We Write Workshop, which meets in the LRB after school on Thursdays.”

Parking Reminder

I would like to take this opportunity to remind our parents about dropping off their children outside school.

Please can parents drop students away from the two main entrances to school on Higher Cambridge Street and Boundary Lane. This is important as both entrances have coded barriers and staff need to be able to get into work easily.

Thank you for your cooperation in this matter.

INSET Day

Please note that Friday, 19th October, is a staff INSET day and the school will be closed to students. Half term will begin for students at the end of the day on Thursday, 18th October, and will resume on Monday, 29th October, at the usual time. We expect all students to return in full school uniform.

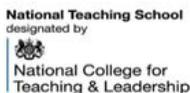

And finally...

...on Monday afternoon, a whole school evacuation took place, as part of an organised fire drill. All students left the building in a calm and orderly manner as the fire alarm sounded throughout the school buildings, before lining up in form rooms on the courts and playground. Registers were taken by staff and once all students, staff and visitors were accounted for, everybody was able to return to the school buildings and continue with the working day. We were impressed with the mature and sensible manner of our students during the evacuation.

Mr Julian Nicholls
Head

A handwritten signature in black ink, appearing to read 'Julian Nicholls'.
