## SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."

## Trinity's 40th Celebration

In the last week of term, we had the pinnacle of our 40th anniversary celebrations, a magnificent showcase event at the Royal Northern College of Music. All students, staff, parents, governors and friends of the school were given the opportunity to watch an hour long spectacle of music, drama, dance and worship to honour the school's mission; Faith in the City, Value in People, Excellence in Education. Our thanks and appreciation goes to all of our wonderful students and staff who made this day possible.

***Trinity's 40th Celebration continued...***

Our talented students performed three times throughout the day to the appreciative audiences. Students left schools in waves, with our Sixth Formers paving the way along the route to the RNCM with impressive flags!

As the audience arrived at the RNCM, they were greeted with music by our steel pan band and performances on the concourse areas by our 'circus sevens'.

The showcase event was opened by our stage band performing 'Sing Sing Sing' by Louis Prima, followed by a brass fanfare. The event continued with performances from the orchestras, choirs, an 80s dance medley and musical medleys from 'School of Rock' and 'Shrek'. It was a joy to sing Juibilate (a Trinity CE High School favourite!) and 'We Are Family' also being enthusiastically joined in by the audience!

We were delighted to welcome special guests to the event who performed sermons at the event, The Ven Karen Best (Archdeacon of Manchester) and Revd Azariah France Williams (Rector of the Ascension Church, Hulme').

We are pleased to share the blessing with you, written by Revd France Williams, which concluded our events:

**A Blessing**

Trinity, a bright beacon of hope
for those navigating poverty
and struggling to cope

Trinity, a catalyst and spark
friendship to the lonely,
a candle to those fading in the dark

Trinity, a bright revolving sphere
bringing growth and power to those
crippled, by abuses and fears

Trinity, for forty years
a community of communities,
a maker of legacies
and outstanding opportunities

Trinity, continue with your God
given role,
steering children towards compassion-
ate service,
to play their small part, in the whole

Trinity, a splendid palace packed with
liberating truth,
empower, educate,
embrace every last one of your youth,
every lost one, of our youth

In the name of
the Father, Creator
the Son, Redeemer
and the Holy Spirit, Sustainer
**Amen**

## Year 9 Graduation and Year 10 Celebration of Progress

In our last week of term, we celebrated students achievements with our Year 9 Graduation and Year 10 Celebration of Progress. The events were a great way to recognise the hard work, commitment and dedication of students over the past academic year, as they move into important year groups this year.

## Trinity Governing Body

From 1st September, 2024, we are delighted to announce that Revd Ann Meadowcroft became the school's new Chair of Governors. Revd Meadowcroft is a long-standing foundation governor, and former parent, and we are very pleased to see her enter this new role. Our thanks and appreciation go to Revd Prof Peter Scott for his service to the school as the Chair of Governors since October 2019, and we are pleased that he will remain on the governing body as a foundation governor.

This year we are also delighted to announce two new governors, Michelle Burridge (parent governor) and Irene Ng (staff governor).

Full details about our governing body are available on the school website:

## And Finally…

…we hope everyone has a positive start to the new 2024/25 academic year following a relaxing and enjoyable summer break. In the coming weeks, we are looking forward to sharing details about our GCSE and A-Level success stories following the examination result days over the summer.

As referred to by our Chair of Governors at the end of the last academic year, Dr Chard (Deputy Head) will be taking up the role of Co-head for one day per week this academic year. Dr Chard will also be overseeing all pastoral, safeguarding and SEN provision this year.

We're excited for the year ahead and look forward to working with students, staff, parents and governors in ensuring that students thrive and succeed.
