SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."

Anti-Racist School Award

Following a two year programme, we are delighted to share that we have achieved a Bronze Award for the Anti-Racist School Award through the Centre for Race, Education and Decoloniality at Leeds Beckett University.

Our thanks go to Ms Ripley who has worked extensively with the entire school community since joining the programme in November 2022. Her focus has been on embedding a strong culture of anti-racism. Collaborating closely with governors, senior leaders, students, and their families, Ms Ripley has ensured the necessary time, resources, and training are in place to pursue the Award, emphasising a commitment to sustainable change across the school.

The timing of receiving this award ties very well into our Black History Month initiatives currently taking place in school - there will be more details about this next week.

Nurturing Foundations Trip

Last month, four Trinity students were given the opportunity to travel to Como, Italy, as part of an international youth programme with 'Nurturing Foundations' which was commissioned by Manchester City Council.

Bernice, Lydia, Matthew, and Natalie spent three inspiring days learning from a community of youth-led change-makers from around the world at the Youth bank FITO conference. They will be putting their learning into practice at Nurturing Foundations and the wider community.

Harvest Collection

There is still time to donate towards our Harvest Collection. Students can bring in non-perishable food items into school until Monday 14th October. For every item brought in, students are rewarded for their kindness with one credit per item and one house point. The collection will be donated to Manchester South Central Food Bank.

Sporting Opportunities

Our extra-curricular sporting activities have got off to a flying start this year. Students have been involved in football, table tennis, netball, rugby, badminton and basketball, to name just a few!

Chief Scout's Gold Award

Congratulations to Year 9 student, Henry, who completed his final Challenge Badge by running the session at his Scouts group. At the end of the evening, he was presented with his Chief Scout's Gold Award, which is the highest award for Scouting - well done Henry!

And Finally…

...congratulations to the Music Department for being awarded the Music Mark again, in recognition of our commitment to providing a high-quality music education for all children and young people.

MUSIC MARK
PROUD TO BE A MUSIC MARK SCHOOL
2024 - 2025
