TRINITY CHURCH OF ENGLAND HIGH SCHOOL

TRINITY WEEKLY

News of the School for the Community it serves, published every Friday

1st November, 2024 **VOLUME 41, No 8**

SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."

Harvest Initiatives

Throughout last half term, our House team successfully led our Harvest Collection initiative, with **662.45kg** worth of items being donated to the Manchester Central Food Bank, which equated to a record breaking **1577 meals!** Our thanks go to everyone for their kind and generous donations.

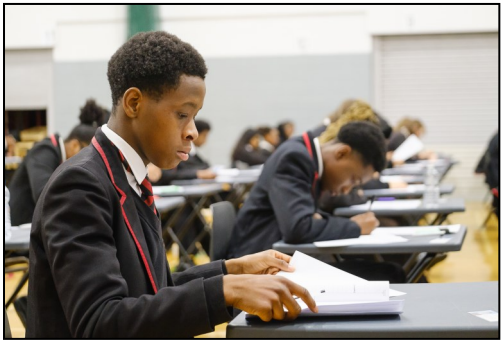
Before half term, we were also delighted to welcome Revd Jo Jarrett, from St Luke's with Emmanuel, Weaste, to lead our Harvest and One World Eucharist service.

Musical Success!

Congratulations to Iris, Year 11, and Elizabeth, Year 9, who have successfully auditioned for the Halle Youth Training Choir which rehearses every weekend at Halle St Peter's in Ancoats. Well done on this fantastic achievement.

Wave Exams and Sixth Form Entrance Exams

As our Year 11s prepare for their important GCSE year, our Year 11s sat their 'wave exams' before half term in English and maths, ahead of the 'Sixth Form Entrance Exams' which have commenced this week. We have been very impressed with the mature attitude, behaviour, attendance and standard of uniform in these exams and look forward to seeing this continuing throughout this examination period.



Manchester Young Carers Award

Miss Laming, Student Services Manager, and Dr Chard, Deputy Head and Co-Head, tell us more:

"We are proud to announce that Trinity has been awarded the Manchester Young Carers Award, presented to us by Kelly Hockaday, Young Carers Operational Lead at Manchester City Council. At Trinity we are proud of our Young Carers and what they do, and over the last school year we have been working towards achieving the award. We have developed a young carers policy which is available on the website and have attended events put on for young carers. Before half term we sent home the 'MyPlan' for families to complete and return to school, to ensure that we are giving our young carers the support they need in school. We will be having regular young carer drop in sessions in school and hope to attend more events this year. If you have any questions about Young Carers at Trinity, please contact Miss Laming in Student Services: laming_a@trinityhigh.com"

'Imaginary Numbers'

From Teacher of Mathematics, Ms Wilson:

Advanced Mathematics Support Programme®

"Last half term, Andrew Birch from the AMSP visited our Level 2 Further Mathematicians to present a taster session on 'Imaginary Numbers'. Students used previous knowledge from GCSE content to sketch quadratics without real roots - this is a concept taught in A Level Further Maths and it was great to see the students grasp it with ease.

If you would like more information on studying mathematics at Trinity CE High School, please contact the maths department."

And Finally…

...in the last week before half term, we were delighted to hold 'reward assemblies' for all year groups, and special awards were presented by Senior Tutors and Pastoral Tutors for students who have made an exceptional start to the year (some of whom are pictured below). Congratulations go to the following students:

Year 7: Dominion and Jacob

Year 8: Aaron and Rahaf

Year 9: Erum and Mary

Year 10: Ryan and Sahara

Year 11: Kayden and Stavroula

Welcome back!

Mr Julian Nicholls
Head
