GCSE Presentation Evening

On Friday, 15th November, 2024, it was a pleasure to welcome the 2023/24 cohort of Year 11 students to the University of Manchester's Whitworth Hall for our annual GCSE Presentation Evening. It was a special evening filled with memories of their past five years at Trinity, GCSE successes, and a range of subject and special awards. The Trinity stage band opened the evening with some wonderful musical pieces, followed by a welcome from our Chair of Governors, Revd Ann Meadowcroft. We were delighted to have Afzal Khan, MP for Manchester Rusholme, as our guest of honour this year. It was great to see the year group come together and celebrate! Please see inside for more photos from this fabulous event.

Sixth Form 'Live Lounge' Event

Director of Music, Mrs Madden, tells us more: "Earlier this half term, we held our annual Sixth Form Live Lounge event and were treated to a wonderful evening of performances by our talented Sixth Form singers and musicians. The Sixth Form building was transformed with fairy lights, soft lamps and plants to create a relaxed, informal atmosphere. With stunning performances on guitar, piano, violin and vocals, the audience was captivated by the harmonies, improvisations and impressive solos, and often moved to tears by emotional rendition of songs by Adele, Amy Winehouse, Billie Eilish, the Cranberries and more. The Sixth Form singers performed a beautiful close-harmony version of *Grow as we Go* by Ben Platt to conclude the evening. Thanks go to Daniel B who hosted the event so professionally, and congratulations to Ella, Claire, Farida, Nathan, Eliezer, David, Sophia, Richie, Joy, Anique, Leila, Chara, Vinchy and Rubi for a fabulous evening of entertainment."

Children in Need

Our thanks go to everyone who supported our Children in Need appeal with our 'dress down day' - we raised a total of **£862** for this very worthy charity.

Travel Consultation

Transport for Greater Manchester is inviting school communities to take part in shaping the new School Travel Strategy. The draft strategy sets out ambitions to boost the number of primary, secondary and further education students travelling via sustainable means by 2030. The city-region is seeking to tackle the barriers to young people walking, wheeling and cycling, or using public transport. It has been developed as a shared priority between the Greater Manchester Combined Authority (GMCA), Transport for Greater Manchester (TfGM) and the 10 local authorities. More details can be found by using the following link: https://www.gmconsult.org/transport-for-greater-manchester/school-travel-strategy-consultation/
