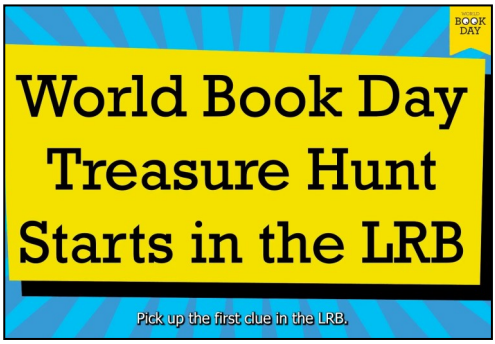
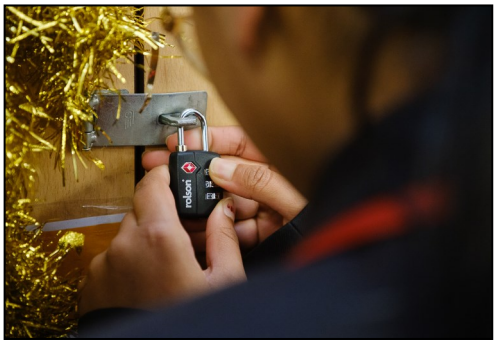
SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."





World Book Day

Ms Oyewobi, LRB and Media Administrator, tells us more:

"Last Thursday, March 8th, we hosted our annual World Book Day celebration. With book themed clues hidden around the school, students were encouraged to engage with the library and use their problem-solving skills to 'crack the code' and 'discover the missing house points'. Congratulations to the students who participated, your teamwork and comradery was strongly shown through the day. All students are also invited to collect a book voucher from the LRB, available for collection until Friday March 21st, and must be used by Sunday March 23rd. Students may use this voucher in exchange for a book or £1 credit at a national book shop or participating booksellers."

Enhancing School Safety – CCTV in Circulation Areas of Toilets

At Trinity, the safety and wellbeing of our students are always our top priority. As part of our ongoing commitment to safeguarding, we are expanding our CCTV provision by installing two new cameras in the circulation areas outside the boys' and girls' toilets.

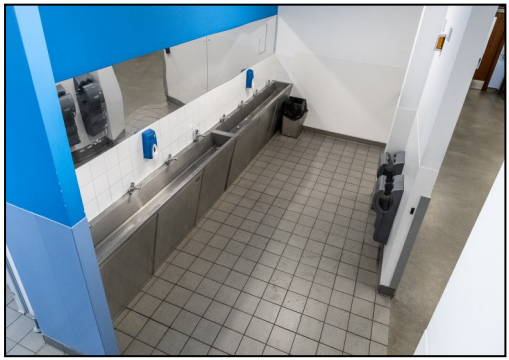
We want to reassure you that:

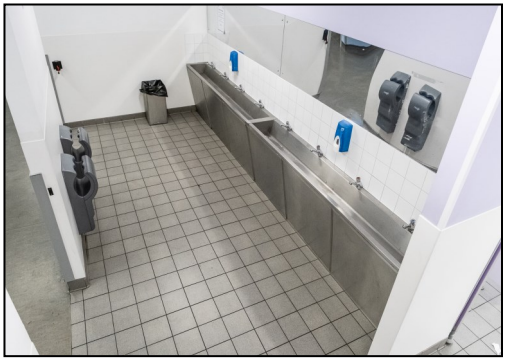
- ✅ Cameras will not be placed inside toilet cubicles - only in the open areas leading in and out of the facilities.
- ✅ The aim is to prevent anti-social behaviour - helping us to maintain a safe and respectful environment for all students.
- ✅ Footage will be securely stored and accessed only by designated senior staff if required.

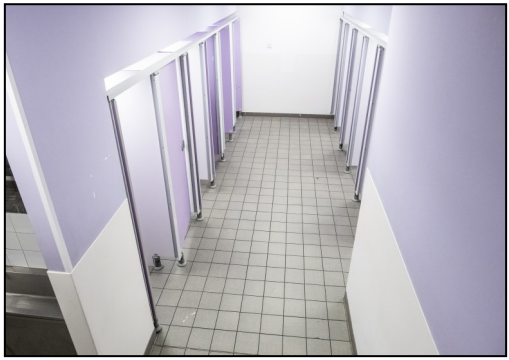
To provide full transparency, we have included photos showing the camera views, so you can see exactly what is covered. These images demonstrate that students' privacy remains fully protected, while also ensuring a safer environment for all.

This decision has been made with great care to balance privacy with safeguarding, and we believe it will contribute to a safer and more positive school experience for all students.

If you have any questions or would like further clarification, please do not hesitate to contact me in school.

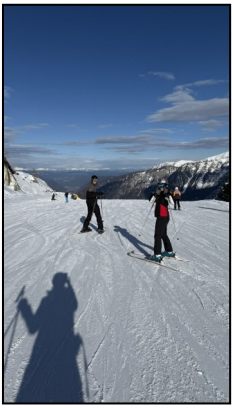






Ski Trip to Folgarida

It was a pleasure to hear all about the fabulous ski trip to Folgarida in Italy over the February half term break - there was plenty of snow and blue skies, and students made great progress with their ski skills.



Rainbow Day

On Friday, 28th February, our Sixth Form students took part in 'Rainbow Day' to celebrate LGBTQ+ history month.

And Finally…

...well done to our Year 10 Sports Leaders who helped to run a primary school swimming competition last Monday. The students were given very high praise for their enthusiasm and organisation. This included time keeping, placements, collating finishing positions and choosing star students.
