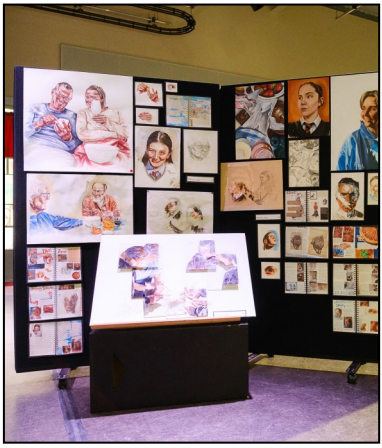
SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."



Art Exhibition

Last Thursday evening, our art department welcomed students, parents, staff and governors to an exhibition of outstanding artwork created by our GCSE and A Level students.

Our congratulations go to the students for all of their hard work and success and thanks go to everyone who attended and supported this key event in our school calendar.

Sixth Form Culture Day

On April 4th, students and staff at Trinity Sixth Form came together to celebrate the diverse cultures that make our community so special. We are incredibly proud of our diverse heritage and Culture Day is a brilliant opportunity to celebrate the students and families that make our Sixth Form outstanding. The day was a colourful mix of traditional clothing, delicious food, and lively music, giving everyone a chance to connect, learn, and experience something new.

Ms Tattum, Director of Sixth Form said "This is my favourite day of the year. Culture Day is more than just an event, it is a powerful celebration of unity and acceptance. All of the students look forward to this event every year and their enthusiasm and passion are what make Trinity Sixth Form more than just a place to study—it's a place to grow, belong, and flourish."

World Youth Theatre Premiere

From Director of Music, Mrs Madden:

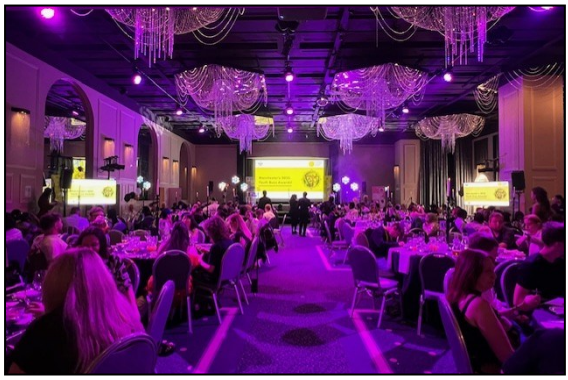
"Congratulations to Leila Y12, Finn Y10 and Tilly Y9 who performed in the global youth theatre premiere of award-winning musical *The Clockmaker's Daughter* by Webborn & Finn last month at Z-Arts, produced by Manchester Musical Youth Theatre. The composer was thrilled to attend the opening night, and it received a 5-Star review by North West End magazine, describing it as "extraordinary and breath-taking". Well done to our talented Trinity pupils for being part of such an outstanding production."

Year 10 mock examinations

For the past two weeks, our Year 10s have been busy revising and sitting their mock examinations. These exams are excellent preparation for the sixth form entrance exams and summer examinations that they will be sitting during the next academic year.

And Finally…

...Teacher of Music and Performing Arts Technician, Mr Gibson, tells us more:



"Two groups of Trinity students took to the stage and performed for invited guests at the annual Youth Buzz awards at the Mercure Hotel in Manchester last week, which celebrates young people and those who dedicate their time to supporting them. Manchester is working with UNICEF UK to put children's rights into practice and become an internationally recognised 'Child Friendly City'.

D & M (Dylan and Micah Y9) opened the awards with an inspirational original song, composed, produced and performed by themselves.

Promise (Klara, Grace, Phoebe and Madeeha Y9) rocked out to a Nirvana cover and added a lot to the energy of the night.

Musicians from all over Manchester entered the Rising Stars competition to be chosen to play at the ceremony. Of the four acts performing at the awards, two selected were from Trinity, highlighting the talent and commitment of our music students."

Mr Julian Nicholls
