SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."

A Level Success - *our best ever year!*

On Thursday, 14th August, we were delighted to welcome Sixth Form students into school to receive their A Level results. We are exceptionally proud of the results our students have achieved and the university places that they have been awarded.

48% of all grades were graded A*-B and 88% of BTEC grades were 'top' grades, D*D*-DM. 120 of our students are off to university across the country including the University of Oxford, Medical Schools, University of Edinburgh, Cardiff, Lancaster and Warwick.

All of the above wouldn't be possible without the hard work of students, dedication from staff and support from parents - our thanks and gratitude extends to you all.

Year 9 Graduation

During the last week before the summer holidays, we celebrated the successes of Year 9s at the annual Year 9 Graduation. As is tradition, we were delighted to welcome the Lord Mayor of Manchester, Cllr Carmine Grimshaw, to the event. The Lord Mayor presented students with certificates and special awards, and gave a motivational speech to the audience. It was a wonderful and uplifting event, and our thanks go to parents, staff and governors who attended.

House Celebration

We ended the school year with a special video assembly, announcing the winner of the 2024/25 House Cup….congratulations go to **MAPLE HOUSE!**

Our thanks go to the House Team and all students who contributed to the house points system over the last academic year - we had a record year of close to half a million house points being awarded!

Let's see if we can improve on this figure this academic year!

Eucharist

Our End of Year Eucharist coincided with our Cultural Day at the end of last term, and we were delighted to welcome back Revd Azariah France-Williams from Church of the Ascension, Hulme, to lead the service.

Year 10 Celebration of Progress

On Tuesday, 22nd July, it was the turn of our Year 10s to be presented with awards at a special Celebration of Progress event. Our thanks go to our Alexa Good-Jacomb (foundation governor) for being the guest of honour and giving an inspirational speech to our students.

And Finally…

...we have been delighted to welcome students back to school for the new academic year this week. Whether you're just starting your journey in Year 7 or preparing for your final steps in Year 13, this is your fresh start - a chance to grow, explore, and achieve amazing things.

We encourage our students to aim high, stay curious, and support one another. Every challenge is an opportunity, and every day is a step towards your goals. We can also be reminded of our school verse for the year in all that we do; ***'do everything in love.'*** Corinthians, 16:14

Let's make it a year to remember!

Mr Julian Nicholls
Head
