

TRINITY CE HIGH SCHOOL, MANCHESTER

GOVERNORS' COMMITTEES AND FULL GOVERNING BODY: STRUCTURE, REMITS AND MONITORING ROLES

2025 - 2026

In order to ensure that governance is effective at Trinity CE High School, a comprehensive and robust committee structure is in place.

Trinity CE High School's Governing Body delegates some of its work to 9 committees; Admissions committee, Audit and Risk committee, Curriculum committee, Disciplinary committee, Finance and Resources committee, Head's Performance Management committee, Pay committee, Pastoral and Ethos committee, and Standing committee. Policies that are monitored by the different committees or by the school are outlined in the school's 'Policy Schedule Summary'.

The Full Governing Body also meets 6 times per year, including the Annual General Meeting which takes place during Half Term 2.

Trinity governors are also invited to undertake the following;

- serve on a Committee.
- attend six Governing Body Meetings per year, including the Annual General Meeting (AGM).
- make one linked departmental / nominated role visit per year.
- attend any school events, as notified in the Head's reports.
- attend one governor training event per year. All new governors are expected to attend a new governor training event.

This will allow governors to gain knowledge and understanding of the school, its strengths and weaknesses, in order to contribute to giving it direction and support. In pursuit of this task, each Committee undertakes to examine particular aspects of the school's life in some detail and to report accordingly to the Full Governing Body in a systematic way.
