"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."

2025 GCSE Results

It is my pleasure to report a very strong set of GCSE results for 2025, with the results being well above both national and Manchester averages. 73% of students achieved a Grade 4+ in both English and Maths, and 76% of all grades were above a Grade 4. 35% of grades awarded were the top grades, as they were Grade 7 and above. These results are a real credit to the hard work of our students and staff, supported effectively by parents.

Results day was busy and vibrant, with students arriving in school from 10am on 21st August to collect their results. The atmosphere was overwhelmingly positive, with many smiling faces and moments of joy as students celebrated their achievements. Congratulations to all!

Tours of the School and Open Evening

Next week, our tours of the school commence for families with children in Years 5 and 6. We also have our main school and Sixth Form Open Evening towards the end of the month. Please see the below for all the details.

Welcome Year 7!

The first term of the 2025/26 academic year began last week for all students, and we were delighted to welcome our new cohort of Year 7s to the school. Their first day began with an assembly and time in their form groups, before heading to their lessons later that morning. We hope everyone has a successful first year and we look forward to meeting parents at the Year 7 parents' evening with Form Tutors on Thursday, 9th October - more details to be sent out in due course.

Advance Notice

Please note that the school will be **CLOSED** to all students on **Friday, 26th September**, due to a staff INSET day.

University of Manchester International Trainees Visit

On Thursday, 4th September, we were delighted to welcome a group of international trainee teachers who are studying to be teachers with the University of Manchester. It was a pleasure to give the trainees a tour of the school and for them to visit lessons and see the school in action.

And Finally…

...at the start of the new academic year, I would encourage all families to check the term time dates for the 2025/26 academic year, so that no holidays or leave of absence are arranged during school time:

Regular school attendance is essential for students achieving their full potential and we thank you for your cooperation with this.
