SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."

Visit Us!

We hope that all of our prospective parents and students had a wonderful time exploring our outstanding school at our annual open evening, which took place yesterday.

If you were unable to attend, or would like to see the school in action during the working day, we are running a series of tours for Year 5 and 6 students and their parents from 9.15am until 10.45am every Tuesday, Wednesday and Thursday, until 23rd October, 2025.

Please make sure that you book your place online before they become fully booked:

Applications to join Year 7 in September 2026 are now being taken. You will need to complete the school's Supplementary Application Form **AND** the Common Application Form from your Local Authority. The deadline for applications is 31st October, 2025. Please see our website for full details:

Travelling to School

We have been continuing to communicate with parents in recent weeks about the planned bus strikes across the Bee Network in Greater Manchester.

The next phase of strikes is expected to take place on the following dates next week:

Tuesday, 30th September, Wednesday, 1st October and Thursday, 2nd October 2025

Our thanks go to students and parents for making alternative travel arrangements to ensure that students can plan to be in school as normal on these dates. We realise that a small number of students will not be able to make alternative arrangements. When you report your child's absence in these cases, please explain it was due to travel disruption.

Girls' Football

Our Year 8 girls' football team took on a very strong Droylsden team in the English Schools' Cup. Our girls showed great team spirit and determination throughout the game and had some good moments, however they eventually lost 4-0.

Chess

Chess is proving to be as popular as ever again this year with our students. Head down to the LRB to find out more!

Basketball Season

There has been a great start to the basketball season with our girls playing in the TeamMCR competition - well done girls!

And Finally…

…Trinity students did really well in the recent Team MCR Cross Country League. There was fantastic encouragement from all schools which greatly helped the runners.

A special mention must go to sisters, Mya and Cora, for finishing first in their race
