SCHOOL AIM

"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world."

RNCM Success

From Director of Music, Mrs Madden: "Huge congratulations to our talented Trinity musicians and singers who have successfully auditioned for the *Junior Royal Northern College of Music* (classical programme) and *RNCM Young Artists* (pop programme) on Saturdays. Well done to: Vinchy Y13, Kyro Y11, Phoebe, Grace, Nancy, Caleb, Giovanni, Micah Y10 Tania, Will Y9 and Zephaniah Y8. Our amazing students will be part of a year-long programme, receiving instrumental tuition and ensemble skills training and will perform in iconic venues such as Band on the Wall. We are also proud that Trinity alumni Amani and Miles, who were part of RNCM Young Artists from 2023 onwards have just released their first single *Dangerously Close* with their band - Denver!"

School Linking Project

Last year, a number of our young carers in school took part in the 'School Linking Project'. "Do You Like Spaghetti and Make Up?" is an exhibition from schools across Manchester, including ours, which is now taking place at HOME until 30th November, 2025.

This exhibition showcases artwork made over the past year, by children from thirteen primary and secondary schools across Manchester. The children were brought together by HOME artists to creatively explore identity and friendship as part of the national schools linking programme, The Linking Network.

Black History Month

As part of our 'Trinity Together' initiative, the focus for October, 2025, is Black History Month. This was launched in a video assembly with Mr Dennis last week, and in assemblies led by Head of History, Mrs Wright, this week.

Politics Trip

Year 13 student, Charlie, tells us all about a recent politics trip he attended:

"Last week, our class of Year 13 Politics Students attended the Labour Party Conference in Liverpool. Whilst there I learnt a lot from the delegates, members and different companies that had come from around the UK. During the time in Liverpool, we listened to Ex-Labour Leader and current Secretary of State for Energy and Climate Change, Ed Miliband, deliver a speech to the Conference.

I found that his speech on energy, as well as other matters around the world, was quite passionate and it made me want to engage more with what he was saying. I think the experience of seeing such an influential person talk about politics, as well as all the other discussions I had with many other people at the conference, has supported my learning by letting me see exactly how Party Political Conferences work. I also learnt about some of the workings of the Labour party during our visit, including the vote for a new Deputy of the Labour Party."
