VOLUME 42, No 25

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Pi Week

From Assistant Head of Maths, Ms Williams: “In the build-up to Pi Day on 14th March, Trinity had an incredible time celebrating Pi Week!

We hosted our much-loved annual Pi recital, alongside an exciting new Pi relay race packed with pi-themed questions. This year’s recital champion was Keziah in Year 7, who amazed everyone by **singing** a record-breaking 315 digits of Pi! An outstanding achievement! She was followed by Alfie in Year 10 and Edwin in Year 7, who were our fantastic runners-up.

A huge well done to all who took part - you can wear your new Pi badges with pride.

The KS3 relay race was won by George, Woodrow, Adi and Hin in Year 8, while the KS4 relay champions were Maryam, Emmanuel and Rebecca in Year 11. Their teamwork and quick thinking made for an exciting competition!

Continued from page 1...

These events would not have been possible without the support of our amazing Year 12 and Year 13 mathematicians, who gave their time to help throughout the week. The maths team were blown away by the enthusiasm, participation and brilliant atmosphere created by students.

What a fantastic celebration of maths — we can't wait to do it all again next year!"

Wood Street Mission Award

Head of Tiger House and Charity Co-ordinator, Mr Cater: "I am pleased to share with the school community that Trinity High School has been acknowledged and honoured with the title of Wood Street Mission Hero 2026!"

Jess Morrison, Community Fundraiser visited our School Council meeting to present the award and explain to our student body the importance of their donations. Jess explained the reasoning for her nomination *"I put Trinity CofE High School forward for nomination in recognition of your dedicated support for many years in our various appeals through gift in kind and fundraising initiatives. We truly appreciate your support throughout the years"*.

Jess also shared with us the alarming statistic of 93,000 children currently living in difficult social and economic circumstances in Manchester and Salford alone.

The whole school community can be proud that the donations through the Christmas Gift Appeal help to provide children in our local area Living Hope for positive change and a brighter future. Thank you to the whole school community for your compassion and empathy in supporting Wood Street Mission and the charity work that they do within our community."

English Literature Trip

English Teacher, Ms Burton: "Last week, Miss Haddad, Mrs Smith and I took a fantastic group of Year 12 and Year 13 English Literature students to see the performance of Othello on stage at HOME.

As this is one of our examined texts at A Level, it was great to see the play in its intended form. There was a real buzz with the students, and they had lots to say about the characterisation and stage choices afterwards. It was fab!"

Upcoming Events in School

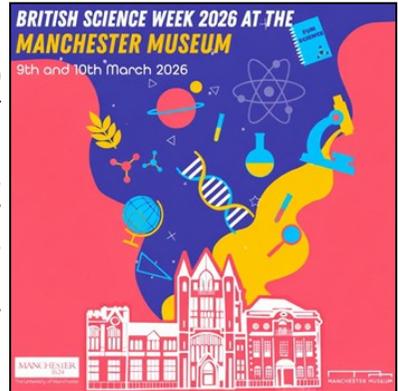

Event	Date	Time
RNCM Anniversary Concert	Wednesday, 1st April, 2026	7.00 pm

Taking part in National Science Week

Last week 32 Trinity students were invited to attend 'British Science Week at Manchester Museum'.

There were 40 different groups of scientists and researchers who spoke passionately about their research in health, materials science, geology, physics and much more.

Students were able to take part in a variety of activities and were a credit to the school.

And Finally ...

... Repeating a theme from last week, we will be asking form tutors to make a note of students where uniform is not up to standard. We will then be contacting parents so that this can be addressed over the Easter holidays. If you do have affordability issues - we are able to help. Please contact student services.

As we move through a busy and exciting term, we'd like to thank our families for their continued support and engagement in school life. Our pupils have been working brilliantly across all year groups, showing enthusiasm, kindness, and a positive learning attitude.

We look forward to the upcoming events that will bring our community together and provide more opportunities for our students to shine. To all families celebrating, we wish you a joyful and peaceful Eid. May this special time be filled with happiness and togetherness. Thank you for being an important part of our school community.
