“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Future Architects visit Making Matters Exhibition

From Head of Engineering, Mr Barnes: “A group of Year 10 students who have shown an interest in becoming architects visited the 'Making Matters Exhibition' at Material Source Studio in Manchester. The exhibition showcased a wide range of fascinating architectural models from international companies and demonstrated how architects use physical models to design, develop, and present their ideas. Our pupils viewed the exhibition and then took part in a model-making activity, creating their own 3D architectural models.

By chance, Chris Williamson, the president of the Royal Institute of British Architects (RIBA), was also at the exhibition, and he gave an inspirational talk to our students about his background and the incredibly rewarding careers available in architecture.”

An International Challenge: Trinity vs. Carihi High School (Canada)

From PE Assistant, Mr Bryan: “Recently, our Sixth Form boys’ football team had a fantastic experience playing a match against Carihi High School from Vancouver, Canada who are in England for 15 days.

It was a very competitive game, with some superb skill from both teams as Carihi won 5-1. Trinity created plenty of chances, but the opposition were more efficient in front of goal. There was a fantastic atmosphere as they were cheered on by a large number of students in the sunshine.

After the game there was time for students and staff to relax, socialise and bond with our guests.”

Student Success in Local Productions

From Head of Drama, Mr Cowie: “Two Trinity students, Ben W (Year 11) and Zea (Year 9), were cast members in the fantastic amateur production of ‘A Monster Calls’.

It was a deeply emotive performance taking place in the Droylsden Little Theatre, leaving audiences pondering on the concepts of loss, grief, and letting go.

Ben and Zea are pictured right:

In a separate performance, Evangeline (Year 9) took on the lead role of Dorothy in Stagecoach’s production of ‘The Wizard of Oz’. Evangeline opened the show beautifully with the iconic *Somewhere Over the Rainbow*, delivering a confident and captivating performance.

The entire production was bursting with enthusiasm, talent and energy. Evangeline shone throughout, and it was wonderful to see several other Trinity students in the audience cheering her on.”

Celebrating our End of Term Student Awards

Last week, we proudly celebrated the achievements, attitude, and dedication of our students at the End of Term Student Awards. The event recognised outstanding effort across every form group, shining a light on the pupils who consistently demonstrate our school values both inside and outside the classroom.

In addition to the form awards, two students from each year group were presented with special certificates from the Head of Year and Assistant Head of Year. These awards recognise individuals who have gone above and beyond this term.

We extend a huge congratulations to all our award recipients.

Their hard work, enthusiasm, and character enrich our school and set a wonderful example for their peers.

We are incredibly proud of every student who continues to strive for excellence, and we look forward to celebrating many more achievements in the terms ahead.

Parental Communication

As a school we pride ourselves on positive communication with parents, but there are occasions where this can break down.

If there is something that you are unhappy about, we encourage you to get in contact so that this can be resolved.

Staff are rarely available without an appointment, so please be mindful of this, and call or email to arrange a meeting.

However, if you do wish to submit a complaint about something our complaints policy is available on our website in the 'about us' section.

Alongside this is a useful guide produced by a range of organisations in order to support parents in following the correct procedures.

Highly Commended Award in Six Word Story Competition

From LRB Manager, Mr Richardson: "Earlier this term, one of our Year 10 students, Remas, entered a national Six Word Story competition and received a Highly Commended Award from the publisher, Penguin. Her prize box included a selection of lovely books and notebooks."

And Finally ...

... we hope you have enjoyed this edition of the newsletter before the Easter holidays. It always amazes me how much our dedicated students and staff manage to cram in each term and well done and thank you to everyone who has been so involved in the life of the school.

A reminder that term finishes today, and we return at the normal time, 08:25am, on **Monday 20th April**, with Year 7 parents meeting the subject teachers for the first time on Thursday 23rd April.

Whilst Year 11 and 13 will be working hard over the break in preparation for their external examinations, I hope they have chance to 'recharge their batteries' and come back refreshed and ready to do their best. I wish everyone an enjoyable and relaxing break.
