VOLUME 42, No 28

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

RNCM Anniversary Concert

From Director of Music, Mrs Madden: “A record 220 pupils performed at our annual RNCM Anniversary Concert on the 1st April, with a wonderfully supportive sold-out crowd. The students ranging from Year 7–Year 13 performed an amazing array of music and showcased their talents in four different Choirs, Orchestra, Stage Band, Guitar Group, Steel Pans and smaller ensembles such as Woodwind, Brass and Senior Strings.

For the first time, we had a massed string ensemble playing *Largo* from The New World Symphony by Dvorak and it was so encouraging to see over 50 young musicians playing violin, viola, cello and bass! Year 10 and Year 11 Band skills had the whole house rocking with songs by The Smiths, Weezer, Blondie and Bon Jovi, and the Sixth Form Singers performed a

moving rendition of the a cappella Celtic song about fond farewells, *The Parting Glass*.

Thirty-five Year 11's received a certificate for their musical contribution during their time at Trinity and special awards were presented to our Year 13's, including Outstanding Contribution to Music and the Performing Arts for Leila A and Chara Q. The whole evening ended joyfully with everyone dancing and singing along to our Finale of *Ain't No Mountain High Enough*.

Congratulations to all performers and many thanks to those who came along to support, including our esteemed guests."

Debate Mate Cup Competition

From English Teacher, Ms Brierley-Rimmer: "On the last week of term, three Trinity teams competed in the all-day Debate Mate Cup Competition at the University of Manchester.

All teams won at least one debate and exhibited respect, confidence and critical thinking; the varied topics discussed included infrastructure in the city and the relevance of cinema. For the second year in a row, our first team competed in the Grand Final, debating whether political parties should have to call new elections after broken manifesto pledges.

The judges noted the impressive style of our speakers and the range of relevant ideas displayed, crowning Trinity the overall winners of the competition! Congratulations on another win, and the continued excellence you have all shown in your dedication and enthusiasm to debating."

Year 7 Inspiring Engineers

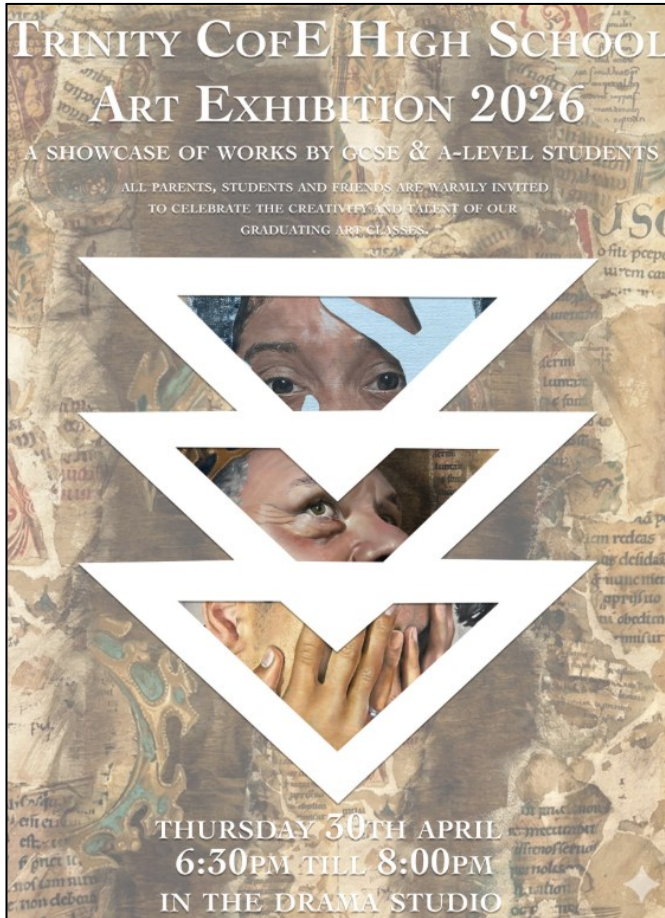

From Head of Engineering, Mr Barnes: "Last term, our Year 7 Inspiring Engineers have been working hard in their after-school club on a disaster relief project. Every week, a team of mentors who are professional engineers from Mott Macdonald come to Trinity to work with our club.

We have been looking at rebuilding the infrastructure for an island that has been devastated by an earthquake and designing bridges to allow the movement of vehicles around the island. The photograph shows our pupils and mentors with the initial prototypes of their bridges.

Invitation to our Annual Art Exhibition

Next week we will be having our annual Art Exhibition on **Thursday 30th April 2026** from **6:30—8:00pm** in the Drama Studio. All parents, students and friends are invited to celebrate the creativity and talent of our graduating GCSE and A-Level art classes. No tickets are needed and we look forward to seeing you, if you are able to join us.

And Finally...

... The exam season has started! We hope all students in Year 10, Year 11, Year 12 and Year 13 continue to prepare well and achieve their best.
