VOLUME 42, No 30

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Celebrating Earth Day

From LRB Supervision, Ms Berry: “For Earth Day this year, we celebrated the theme 'Our power, Our planet' by teaching students the joys of plant propagation and growing! Using the plants that around the library, students took cuttings from their desired plant, filled a pot with soil and added the cutting. These will grow roots and grow into entirely new plants, developing just like our students grow and evolve during their time at Trinity. As a plant lover myself, I think it is especially important students connect with nature whilst living in a large, urban city like Manchester, houseplants provide a hands-on way to do that. Happy Earth Day!”

ABRSM Success

From Director of Music, Mrs Madden: "Congratulations to our Trinity musicians who have achieved yet more fantastic results in their music grade exams. Pictured from left to right: Evangeline Year 9, Daniel Year 7, Bernice Year 8, Tania Year 9, Solomon Year 9, AY Year 8, Elise Year 11, Ariadne Year 11 and Sophie Year 9. Well done also to Ashanti in Year 9. Passes, Merits and Distinctions across the board on violin, viola, cello, trumpet, keyboard and piano, from Grades 1 to 8! We are so proud of them!"

13 The Musical

Congratulations to Sophie F & Martha P in Y9 and Thea S in Y12 who performed in the recent 5-star production of *13 The Musical* by Manchester Musical Youth Theatre at Z-Arts in Hulme. Our Trinity students shone on the stage with their great energy and characterisation in a show that was full of comedy, impressive choreography and some stunning vocals. Mr Cowie, Miss Ndreca and Mrs Madden, along with a packed out crowd, enjoyed a highly entertaining evening!

Y13 Final Assembly

From Director of Sixth Form, Ms Tattum: “Last Wednesday, the Sixth Form gathered in the Drama Studio for their last ever school assembly before leaving us for the start of their study leave. The Sixth Form Singers performed two songs and Dr Alnuamaani shared with the students photos of them when they started in Year 7 (or Year 12 for the students who joined us just for Sixth Form).

We celebrated their journeys and how much they have achieved. We ended with a prayer for the future, where we thanked Year 13 for their contribution to school life and wish them all the very best for the future. We will all gather together to celebrate after their exams, for the

Sixth Form Leavers Meal at the Lowry Theatre on 24th June 2026.”

Young Writers Trip

From LRB Manager, Mr Richardson: “Fifteen of our Year 7 writers travelled all the way to the prestigious University of Cambridge to attend this year's First Story Young Writers Festival with over 300 other students from across the country. They met author A.M. Dassu and Jack was on the panel of four students who interviewed her in front of the assembled attendees. The students also worked on writing and performance with poet Sophie Harham, and were given a tour of Newnham College by a Cambridge student ambassador, and then closed the day with a showcase of readings.”

Quality in Careers Standard Award

Trinity has recently been awarded the *Quality in Careers Standard*, a nationally recognised mark of excellence for careers education and guidance across secondary schools, colleges and independent training providers.

This award is achieved through a rigorous external assessment process, which recognises the four key elements of a strong careers programme: Careers Education, Careers Information, Careers Advice and Careers Guidance.

We would like to extend our thanks to everyone who supports Trinity's careers events. If you would be interested in getting involved in future careers fairs, delivering talks to students, or offering work experience placements, please do get in touch.

Pictured receiving the award is Ms Ripley, Lead Practitioner Work Related Learning.

And Finally ...

... we send our very best wishes to all Year 11 and Year 13 students as exams begin to come into sharper focus. This is the moment to live out one of our Trinity B's: "Be your best" — steady routines, focused revision, good sleep and asking for help early will make the difference.

For Year 10, a reminder that work experience is only eight weeks away. Please secure your placement as soon as possible and ensure all details are submitted on time, so the arrangements can be checked and confirmed.
