“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Y7 Singers perform at Vocal Showcase Celebration

From Director of Music, Mrs Madden: “Congratulations to our amazing Year 7 Singers who gave an outstanding performance at the One Education Vocal Showcase Celebration at the beautiful Victoria Baths on Tuesday 9th June. Eight different high schools from across Manchester showcased their choirs, ranging in style from pop, gospel and music theatre to Arabic nasheeds and a cappella choral singing, testament to the fantastic diversity and rich musical culture of our city.

Our Year 7s lifted everyone's spirits with renditions of Avril Lavigne's *Fly* and Pharrell Williams' *Happy*, with stunning solos and ensemble harmonies, not to mention some uplifting choreography and dancing!

Congratulations to all our Year 7 Singers who were a credit to our school in every way. Thank you to One Education for organising such a fantastic collaborative event and to our fellow performers from Wright Robinson, St Peter's, The Barlow, Loreto High, Chorlton High, Eden Girls and Parrswood. The joy of singing is certainly flourishing in our city!”

Annual Sports Day Event

From Head of PE, Ms Barrett: Last Friday, students in Years 7 to 10 travelled to Sports City for our annual Sports Day. Despite a challenging start, the event proved to be a fantastic day of competition, participation and school spirit.

The morning began with dark clouds and heavy rain, which threatened to disrupt the day's activities. However, by midday the weather had improved significantly, with the rain clearing and the sun making a welcome appearance, creating much better conditions for the remainder of the event.

Throughout the day, students proudly represented both their forms and houses as they competed in a wide range of events. The programme included traditional track and field competitions such as sprints, middle-distance races, long jump and throwing events. Alongside these were several fun races, including an obstacle race, skipping race and egg-and-spoon race. These activities ensured that students of all abilities had the opportunity to participate, contribute valuable points and enjoy the day.

Students demonstrated excellent effort, determination and sportsmanship throughout the competition. There was strong support from competitors and spectators alike, creating a positive and encouraging atmosphere across the venue.

The day concluded with a series of exciting and closely contested relay races, which provided a thrilling finish to the competition. Students were then treated to one final event as members of staff took to the track to battle it out in a highly anticipated staff relay, much to the delight of the crowd.

Overall, Sports Day was a great success. It showcased the talent, enthusiasm and teamwork of our students while strengthening both form and house spirit. The event provided an enjoyable and memorable experience for everyone involved.

International Links & Languages Awards Night

From Head of MFL, Ms Cartagena: “The Languages Awards Evening was a truly special occasion and a fantastic celebration of the achievements of our students, recognising both effort and excellence across the department. We were delighted to welcome former Trinity student Nathan Kabwebwe as our guest speaker.

Having studied French at A Level, he went on to pursue Business Management and Arabic at Manchester Metropolitan University, combining his love for languages and his passion for business. Nathan inspired students by sharing how languages have helped him connect with different cultures, including his time in Fiji supporting youth empowerment projects. It was an inspiring and memorable evening for all.”

And Finally — An Important Reminder ...

... that we have our June teachers INSET day on **Friday 26th June 2026** - the school is closed for all students on that day. On the training day our staff will be considering our priorities for the forthcoming year.

We've still got a really busy four and a half weeks left in school. The week commencing Monday 6th July 2026 is our Activities Week with all year groups off normal timetables doing something hopefully new and exciting; Y7 'Arts Week', Year 8 'Peak Week', Year 9 'Enterprise Week', Year 10 'Work Experience' and Year 12 'Higher Education Week'. We hope everyone is looking forward to their activities!
