

15th February, 2019

VOLUME 35, No 21

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Beauty and the Beast

Bonjour! Prepare for a 'Tale As Old As Time'... tickets are on sale soon for this year's school production of 'Beauty and the Beast'. There will be four performances, from Tuesday 12th to Friday 15th March, all starting at 7.30pm in the Trinity Drama Studio. Tickets can be purchased from Student Services as of Monday 25th February, priced at £5 for adults, £3 for children and £12 for a family (2 adults / 2 children). We can't wait for you to 'Be Our Guest'!

Year 9 Parents' Evening

The Year 9 parents' evening took place on Thursday, 31st January, 2019, with 80% of parents in attendance. Positive conversations took place between parents, students and teachers throughout the evening about their progress during the year. This is an important time of year for our Year 9s, as they have just gone through the process of picking their GCSE option subjects that they will begin in September, 2019.

England Debut!

Our congratulations go to Year 11 student, Luke Matheson, for his international debut last week. Luke played in the England U17 team in a match against France. The team were victorious, winning the game 3-2. We are sure this is the start of very big things for Luke!

Aspiring Medics

From teacher of science, Mr l'Anson:

“Last Friday, two GPs, Enam and Elora, who also work part time at the University of Manchester, came to talk to our aspiring medics. Enam and Elora spoke about their pathway to becoming a doctor and their current careers. Both emphasised the important skills required and took students through the application process. All of the students were interested and engaged. One student spotted their own GP in a video that Elora showed to them about medical students. The students were a credit to the school and several of them performed excellently on the medical quiz during the talk. Both Enam and Elora were impressed by the students’ motivation to study medicine and the excellent and unique support structure in place for those students at Trinity who are interested in studying medicine at University.”

#CHEE2019

Last Friday, some of our students attended a countering hate and extremism event at Manchester Metropolitan University. The students are pictured below with Dr Nasser Kurdy and Amjid Khazir, who were key speakers at the event that gave inspirational stories. Our students were accompanied by teacher of Social Sciences, Ms Coxon, and she has received much positive feedback from the organisers about the contribution Trinity students made to the event.

Sporting Successes

It was a very successful week for our teams in a variety of sports competitions. Here are some of the highlights:

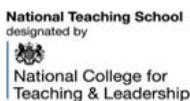

- Both our Under 14 and Under 16 girls' (pictured below) basketball teams became Greater Manchester champions after coming through a very tough day of final matches.
- Our Year 7 boys beat East Manchester 5-1 in the football league and Year 8 boys beat Co-op 36-7 in the basketball league.
- There was more success for Saran in Year 10 as she won the Under 16 girls' badminton singles event.
- Both our Year 10 and Year 11 girls are now into the semi finals of the Manchester football cup after beating Our Lady's 7-0 and East Manchester 3-0.

And finally...

...the school breaks up at the end of the day today for the February half term break. School will resume at the usual time on Monday, 25th February, 2019.
