

8th March, 2019

VOLUME 35, No 23

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

An All-Star Cast

The countdown is on for one of the school's most anticipated shows of the year...Beauty and the Beast! It will feature a spectacular all-star Trinity cast (many can be seen above) over four evenings next week. Tickets are selling out quickly, so make sure you secure your seat as soon as possible from Student Services. The show runs from 12th - 15th March, with a 7.30pm start time. We look forward to seeing you!

Eucharists

Our two most recent Eucharist services were held just before half term and on Wednesday of this week.

For our Candlemas Eucharist, we were delighted to welcome back Revd Mark Hewerdine from St Chad's in Ladybarn.

For our Ash Wednesday Eucharist earlier this week, we welcomed back Revd Gareth Robinson from St Philip's, Salford. At the service, students were given the opportunity to receive the imposition of ashes.

Aspiring Medics

From KS5 Course Director of Science, Dr Alnuamaani:

“Former Trinity Student, Lisa Collins Brown, gave a fantastically inspiring talk to our aspiring medics from Years 10, 11 and 12 recently. Lisa told her story from growing up in Ghana and moving to Manchester at the age of 2, her journey through Trinity and then onto the University of Newcastle to study Biomedical Science. She is now working as a research science at the University of Salford in the Neuroscience Labs

looking into the causes of Dementia. She is an excellent role model for all Trinity students, but particularly for girls wishing to study science. She will return next year to talk to our new aspiring medics group when our current Year 9 move into Year 10.”

Year 8 Parents' Evening

Our most recent parents' evening took place for Year 8 students just before the half term break. We were delighted that over 80% of parents attended to discuss their child's progress with staff.

And finally...

...another week of sporting success! Mr Bryan tells us the latest updates:

- Our Year 8 netball team finished off their season with a thrilling 2 - 1 win over East Manchester Academy. The girls have improved as a team throughout the year and can be very proud of themselves.
- The Year 7 boys had their first match in the Basketball NBA league. In an exciting and drama filled game against William Hulme the final score was 13 - 13. The boys can look forward to further challenges in this competition and get even better.
