VOLUME 35, No 34

## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

## The Shack!

Monday afternoon saw the grand opening of our newest catering facility - the Shack! Over the half term break, the Shack was installed in the amphitheatre section of our school playground. To complement the new eatery, we have also introduced some colourful seating options for our students to use. Our thanks go to members of our catering, finance, IT and facilities teams, led by Mrs Langley, our Business Leader (left of picture), for making this possible. The shack will be open at lunchtimes, selling a selection of baguettes, sandwiches, wraps, paninis, cakes, biscuits and drinks. We are sure this will prove to be a very popular option with our students - especially when (if?) the sun shines!

## Pentecost Eucharist

Last Wednesday, we were delighted to welcome back Revd Canon Simon Gatenby from Brunswick Parish Church to lead our Pentecost Eucharist.

The students are photographed holding a 'jaffa cake' each - we learnt how the three layers of the cake can be a reminder of the relationship of the Trinity - Father, Son and Holy Spirit.

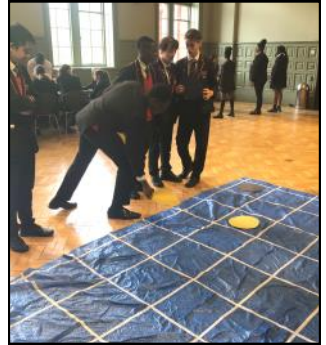

## Art and Maths Event at the Whitworth Art Gallery

From Course Director of KS5 Mathematics, Mr Balcombe:

“On Wednesday, 5th June, 24 students from Year 9 visited the Whitworth Art Gallery to experience an 'Art and Maths' event. It was run by PGCE

Maths students from the University of Manchester. A wide variety of creative events took place to engage the students to use artistic skills and mathematical ability in tandem. The students painted 'pi' with colours selected by the digits of 'pi', they solved grid problems, created tessellations, drew symmetrical rangoli patterns, created thread sculptures, painted with probability and also ballet danced according to 'pi' music. The students were a credit to the school and were enjoying themselves so much that they had to be dragged away from each of the activities!"

### Reading Recovery Workshop at Barlow Hall Primary School

From our Reading Lead, Mr Cummings: "Last Wednesday, Ms Kirkham and I took a group of thirteen Year 10 students to attend a Reading Recovery workshop at Barlow Hall Primary school in Chorlton. The workshop's aim was to enable the Year 10s to give peer support to students in lower school who struggle with their reading. Alex Vaughan, one of the course facilitators praised those students involved: *"It was a pleasure to work with the Year 10s you brought. They were a credit to the school with the way they engaged. They came across as very thoughtful and well-suited to the reading project."*

## And finally...

...we are holding a series of open mornings throughout June; on Tuesday, Wednesday and Thursday mornings (until 27th June) from 9.15am to 10.45am.

For Year 4 and 5 students and their parents, this is an opportunity to visit the school and see us in action during a school day. Meet our teachers, talk to current students and take a tour of our superb facilities.

To book a visit, please contact our Admissions Manager via email: [admissions@trinityhigh.com](mailto:admissions@trinityhigh.com) or telephone: 0161 212 1900.

We look forward to welcoming you.
