SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Sports Awards Evening

Last Wednesday, we hosted our annual Sports Awards Evening, which recognised the success, dedication and talent of our students for their sporting achievements. We were delighted to welcome a special guest of honour to present awards to students, Joe Thompson, an ex-professional footballer who gave an inspirational speech to the audience about his life and career. Following the event Joe tweeted the following, “I came to inspire you, but you left me inspired. To see a school as a collective achieving so many sporting awards not just locally but also nationally was incredible. Congratulations to all the aspiring students.”

Trinity's Got Talent!

From Head of Tiger House, Mr Clark:

“On Tuesday, 18th June, the school hosted the annual 'Trinity's Got Talent' event. A packed Drama Studio was captivated by ten stunning acts. Students from all key stages worked tirelessly, and with significant talent, to entertain us and show off the spectacular array of talents that they possess. These ten acts had endured the nerves and stress of auditions to be picked to represent themselves, their forms and their House. All our competitors did their best and made their families and friends very proud. The crowd of around 200 staff and students were wowed, making every competitor feel warmly appreciated. There was also an amazing display by our very own internationally acclaimed wheelchair ballerina Bethan, in Year 12.

Ultimately there are winners, and this year they were as follows:

- 1st Place = Kyra, Year 10 - Wallaby House (vocalist).
- 2nd Place = Sam, Year 7 - Maple House (guitarist).
- 3rd Place = Xabier, Year 12 - Tiger House (soprano saxophonist).

The winners can be seen in the bottom right hand photo. A special thanks goes to all staff and students who took part and helped make this another successful event. Around £200 was raised which will be donated to charity.”

Manchester Dogs Trust

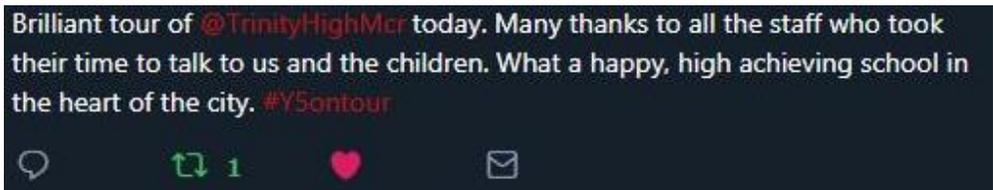

Assistant Head of R.E, Miss Bansal, tells us about a recent initiative she has been working on with her form: “8NBA recently ran a bake sale with proceeds going to their chosen charity - Manchester Dogs Trust. Following this, I took 14 students to the Dogs Trust for a behind the scenes tour where we saw dogs being enriched in order to be rehomed. We also saw the national call centre where they get at least 300 calls a day from people who want to give their dog away, and then we did a workshop on the morality of using dogs in the military. The following day, staff from the Dogs Trust came into Trinity to deliver workshops to Year 7 and Year 8 on animal welfare and the important work the Dogs Trust do. “

Parking Notice

I would like to take this opportunity to politely remind parents/carers to not drop off/pick up their children directly at the school entrances on either Higher Cambridge Street or Boundary Lane. Dropping off/picking up at school entrances makes it difficult for students to cross the road safely to come into school and causes issues for staff trying to access the school car parks. We would be grateful for your full cooperation in this matter to ensure the area around school is as safe and accessible as possible for our school community.

Trinity Tours

As our busy cycle of June tours for perspective students and parents come to an end, we were very pleased to receive the following feedback on Twitter:

Please see our website for full details of our next round of tours in September and October: www.trinityhigh.com/admissions/visit-us

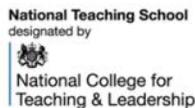

And finally...

...last Tuesday, I was invited by our Year 10 rugby team to attend a 'sevens' festival at Sheffield University. Our squad of 11 players played 5 matches, winning all 5 against teams from Northumberland, Sunderland, Leeds, Leicester and Ashton. The boys played with great spirit, attacking with flair and defending with strength. What most impressed me was the great relationship they had with each other, their teacher, Mr Dootson, the respect shown for the referee and their generous nature with the opposition teams. They were a credit to the school - an overused phrase in newsletters - but fortunately I was there to know it's the most appropriate way to say well done boys!

Mr Julian Nicholls
