

Show My Homework Guide

You will need:

- 1) Your school email address and your usual password (check the spelling!).
- 2) Use Google Chrome or Mozilla Firefox (NOT Microsoft explorer or Microsoft Edge – sometimes they don't work with the SMHW app).

Step 1

Making sure you are using the **correct internet browser**, go to the school website (www.trinityhigh.com).

Find the **link** to Show My Homework on the top red bar:

Step 2

When you log in, you MUST click the '**Sign in with Office 365**' button.

A screenshot of the Trinity High School login page. The page has a white background and a light blue border. At the top left is the word 'Login' and at the top right is a link for 'Forgot password?'. Below this are three tabs: 'Staff' (selected), 'Parent', and 'Student'. There is a search box labeled 'Search school', followed by a text input field for 'Enter email address or username' and a password input field with an eye icon. A large blue 'Log in' button is positioned below the password field. A yellow arrow points to this button. Below the 'Log in' button is a section titled 'Or log in with:' which contains three buttons: 'Sign in with Office 365' (with a red and white icon), 'Sign in with Google' (with the Google logo), and 'Sign in with RM Unify' (with the RM Unify logo).

Step 3

Type in your email address, BUT you need to type **username@school.trinityhigh.com**, (NOT @student.trinityhigh.com), followed by your usual email password.

e.g. A Year 7 called Victor Sani would put y20sani_v@school.trinityhigh.com

A Year 8 called Sophie Handforth would put y19handforth_s@school.trinityhigh.com
