SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

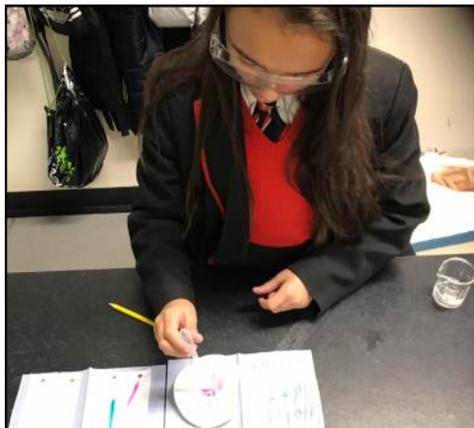

Hello Spring

Although our school site was much quieter than usual last week, that didn't stop us saying hello to Spring; the daffodils and crocuses were poking their way through the grass and trees were beginning to blossom, making it clear that spring was most definitely on its way!

A Typical School Day...

...although the majority of our students are working from home, the school does remain open for a small number of children of key workers. Whilst adhering to social distancing guidance, some activities have included the following: dedicated time to complete tasks on 'Show My Homework', boxing in P.E with Mr Connolly and practical work in Science.

England Rugby Match

A few weeks ago, one of our students had the privilege of representing the school on the pitch at Twickenham. Katie, Year 10, travelled to London to take part in pre-match presentations and to meet two current England rugby stars, before wearing the school's new rugby shirt – which she helped design – on the pitch as part of the national anthems and flag ceremonies. Katie has been participating in our Tuesday after school rugby activities run in collaboration with Sale Sharks, enjoying the game so much that she joined Broughton Park FC rugby club. Katie reported, 'It was a great opportunity to represent the school at an amazing occasion. I want to thank Mrs Barrett for encouraging me in my rugby - I would recommend it to anyone as it is helping me develop teamwork skills and overcome challenges.' England won the game 33-30 ... a reason to celebrate for England – and having a Trinity student on the pitch is another great reason to celebrate as a school.

George House Trust

From joint Head of RE, Miss Bansal: "For the last few weeks, we have had the George House Trust come in to speak to all of Year 9 and Year 12 on HIV awareness and the social stigma it carries. Students learnt about the transmission of HIV and how it is managed. The Trust shared personal stories which really hit home about this important issue. Their objective is to eradicate the negative stigma some people have towards those who have HIV and dismiss any misconceptions people might hold."

Toilet roll challenge

If you follow us on Twitter, you will no doubt have seen many of our staff and students getting involved with the 'toilet roll challenge', to show off their footballing skills!

And finally...

...in these unprecedented times we have taken the bold decision to keep the school open over the Easter break to support the children of NHS staff and other key workers in their ongoing fight against Covid-19. For all those affected by sadness at this time, my deepest sympathies. It is affecting all communities including us here at Trinity.

God Bless,

Mr Julian Nicholls
Head
