SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

1:1 KS3 Pastoral Meetings

We have recently extended our pastoral care offer by inviting all KS3 students and their parents/carers to attend a twenty minute meeting with a member of our pastoral team, to discuss their experiences of learning at home and life during 'lockdown'. The meetings began in the Sports Centre on Monday, 29th June, and will continue until the end of term - details of the allocated times have been confirmed on 'Show My Homework' accounts. We have been delighted with how well received these meetings have been, as this initiative is an excellent opportunity to provide some familiarity for our students and to help them reconnect with staff in school.

Year 10 and Year 12 Face to Face Support Sessions

Our face to face support sessions have been taking place for the past three weeks in school and we have been delighted to see so many of our students in attendance. The face to face sessions are also being supplemented by live question and answer seminars for our Year 10 students through Microsoft Teams.

Message of Support

We are always pleased to receive messages of support: *“Some encouragement for you and your staff - I’ve heard such good reports about Trinity’s care for students over the last few weeks. A lot of your students go to my church and their parents have had nothing but praise for Trinity staff going the extra mile in terms of welfare checks and setting excellent work – so, well done Trinity!”* - Manchester Education Centre.

House Team Weekly Challenge

Last week's House Team Weekly Challenge was to submit a snapshot of life during lockdown through a window. A single photo documenting this incredibly strange moment in history to help capture these dark times in a beautiful way. Thank you for all of the entries - some of our most notable included:
