## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

## Charity Initiatives

At this time of year, it is normal for us to be planning the various different activities in school to support some very worthy charities and causes. Although it won't be possible for us to do our usual collections for Harvest and Socktober, and a coffee morning for staff this year, the charitable nature of our school community continues and we have come up with an alternative way to support some of these great charities - a non-uniform day! All students and staff will be asked to bring in a donation of £1 in order to take part in the non-uniform day on the last day of this half term - Friday, 23rd October, 2020. We thank you in advance for your kind and generous donations.

## Admissions Policy for 2021

Due to the COVID-19 pandemic, there was a requirement for the school to make a variation to the Admissions Policy for 2021 with regards to students applying under category D, E and F in our supplementary application form (children on the Anglican faith, children and/or their parent(s) who attend a church of another Christian denomination, and children and/or their parent(s) who are active members of the other major world faiths).

## Tours of the School

If you are applying to join Trinity in September, 2021 - have you been on a tour yet? The photo below shows the tour last week, led by me and our Business Leader, Ms Langley. The tour also featured a very smartly dressed guest who was accompanying his older brother and father on the tour - he was dressed for the occasion by wearing a three piece suit!

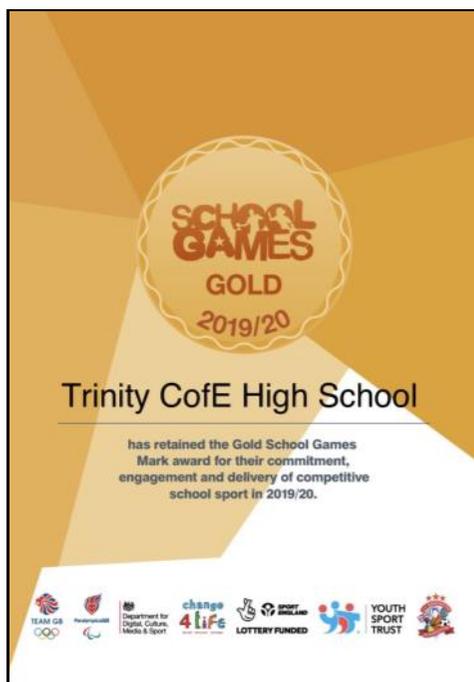

Our tours are running each weekday morning from 9.15am - 10.45am until Friday, 23rd October, 2020. You can contact our Admissions Manager, Ruth Koniuszewski on **0161 212 1900** or **admissions@trinityhigh.com** to book your place.

We are delighted with how well received our tours have been this year and it was great to see this positive tweet from earlier this week:

## Sporting updates

- Over the summer, our Sports Centre walls were re-vamped with striking **wall murals**, including some motivational and inspirational quotes.
- Congratulations also go to our PE department who have retained our **School Games Gold Award** for another year!

- It has been great to see our Year 7 students engaged in **extra-curricular activities**. On Monday, students were developed their badminton and table tennis skills.

### And finally...

...I would like to inform parents that any letters regarding confirmed cases of COVID-19 in school will be posted on the COVID-19 information section of the school website. If any student is identified as a contact of any confirmed case, the school will contact the parents directly.
