VOLUME 37, No 33

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

World Maths Day

Teachers of Maths, Ms Rimmer and Ms Barnett tell us more: “The Maths department recently took part in a global online maths competition to celebrate World Maths Day. This consisted of 20 different tasks - each with a goal of getting as many questions correct as possible in 60 seconds.

Well done to Rosa (Year 12) Winston (Year 11), Jia (Year 10), Aedan, (Year 9) and Lily (Year 8) who all came top of their year group. A massive congratulations to Daisy, Year 7, who not only came top in her year but received the highest score in the school. Over 9000 schools around the globe took part, and thanks to the many participants from Trinity, as a school we placed on average 60th in the world. This is a huge achievement and one we look forward to continuing next year. Thank you for helping us celebrate Trinity!”

Duke of Edinburgh's Award Silver expedition

Last weekend, it was the turn of our students taking part in the Duke of Edinburgh's Silver award to attend two day walks to Buxton and Hayfield. Our Duke of Edinburgh Coordinator, Mr Kirsten, tells us more: "Mr Davis and Ms Wilson joined me on a very wet Friday and an overcast Saturday with 18 Silver candidates. Spirits were kept high amongst the group - we sheltered under trees for lunch and continued marching through the driving rain with smiles on our faces. At Kinder reservoir, the rain was being blown sideways and the low cloud was hiding the summit of Kinder Scout and Kinder Downfall." Well done to all those involved in battling through the rain!

Focusing on Football

Congratulations to our Year 11 boys' football team who put in a dominant display against Burnage High School last week and won the match 5 - 0.

Last week also saw the highly anticipated inter-form football matches! There was some fantastic matches played with great spirit. Well done to our winning forms - 7DPR, 8JLC and 9AWA.

Mobile Phones in School

Research indicates that a young person spends an average of 9 hours a day on their mobile phone (youngminds.org, 2021). This has been proven to have a detrimental impact on the wellbeing of young people. On Monday, 7th June, students will watch a short video outlining the impact of mobile phones and the expectations that we have in school. We understand that in the event of an emergency occurring when a child is travelling to or from school, there may be a need for parent and child to contact each other. However, students will be reminded that mobile phones should not be visible or audible in school from the start of the school day at 8.25am until they have left the school site. If a student is seen using a mobile phone, it will be confiscated and handed into Student Services where it can be

collected at the end of the school day. If a parent does need to contact their child during the school day, then please contact Student Services on 0161 212 1900, who will be happy to pass on any messages.

June Tours

There is still time for parents of Year 4 and 5 students to book on one of our June tours of the school.

The tours will run every

Tuesday, Wednesday and Thursday,

from

8th June - 30th June,

from

9.15am - 10.45am.

Please call

0161 212 1900

or e-mail

admissions@trinityhigh.com

to book your place.

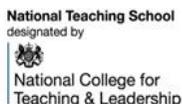

And Finally...

...the school breaks up for half term at the end of the school day today. We will continue to carry out our track and trace procedures over the half term break if we are informed of any student testing positive for Covid-19. If a student does receive a positive test result over the half term break, please e-mail our Head of KS3, Ms Baxendale, as soon as possible

baxendale_a@trinityhigh.com

We wish all our readers a happy and relaxing half term break and we look forward to welcoming you back to school on Monday, 7th June, 2021, for the final half term of the 2020/21 academic year.

Mr Julian Nicholls
