21st June 2021

Dear Parent / Guardian,

Transition: Important Information

Following the recent enhanced measures across Greater Manchester we have conducted a risk assessment of our transition activities. As we have Year 6 students from 85 different primary schools attending our two induction days (Tuesday, 6th July or Wednesday, 7th July) we are unable to retain existing primary school bubbles as the latest guidance recommends, therefore, sadly, we have had to cancel these two induction days. This also means that there will be no parent/carer information sessions held at the end of the day. **Please note that the planned summer school will still take place.**

Alternative Arrangements to Induction Days

We will be putting together a video for parents/carers and students which will include messages from the Year 7 pastoral team and a 'frequently asked questions' section. This will be available on the transition page of our website and will cover all the details and information that would have been covered at the meeting in school.

One Page Profile

For the staff to really get to know about your child's interests, strengths and anything they might struggle with we would like them to fill in the one page profile available on the transition page of our website before the end of the summer term. If you are unable to complete this online, please contact myself or Louise Quinn on 0161 212 1907. This profile will be shared with your child's teachers.

Summer School

Our summer school is still happening! As this is due to take place in the first week of the summer holiday, our Year 6 are not returning back to their primary schools and crossing several bubbles, therefore, summer school can still go ahead. Final details about this week will be sent out in the post at the end of June. A copy of all letters sent out to parents can be found on the transition page of our website.

I am looking forward to meeting your child during summer school. In the meantime, if you have any questions please do not hesitate to contact me on 0161 212 1900 or email me at s.brooks@trinityhigh.com

Yours sincerely,

S. Brooks
