## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

## Award Assemblies

Congratulations to all students who received an award in one of our special award assemblies, that took place in the Sports Centre. The assemblies were led by our pastoral teams, and students were awarded with certificates including, ‘Pupil of the Year’, ‘Pastoral Tutor Award’ and ‘Star of the Form’. They were fabulous celebratory events!

## Sports Day

Last Friday, the sun was shining and it was the perfect day for our Sports Day! We travelled to the Sport City Stadium and our students competed in a range of sporting activities, including hurdles, high jump, races ranging from 100m to 800m, relay races and the egg and spoon race. It was a fantastic positive atmosphere, with all students engaged with the events and cheering on their peers from the track side. Special thanks go to the PE department for organising such a wonderful day!

## **STEM Workshops**

From Head of Science, Ms Dunn: "Over the past couple of weeks, a number of Year 7 Science students have been part of STEM workshops delivered by Manchester Youth Zone. Some students made bath bombs learning about how they fizz when water triggers a reaction. Other students had the opportunity to build some amazing LEGO tensegrity structures. This challenge taught our students about forces and the centre of gravity."

## Year 11 Master Classes

...from Deputy Head, Dr Chard: "Year 11 students have still been benefitting from the expertise of our teachers, by attending a range of Master Classes. These have taken place in school with additional tasks set online. Science and mathematics sessions have regularly seen over forty students attending and with fifty attending psychology, we have had to expand into two rooms! The sessions are proving to be excellent preparation for students going on to study the subjects either here at Trinity or elsewhere. It's also great to see our Year 11s back again! The timetable for sessions is available on our website under COVID-19 and Year 11 - Year 12 Transition."

### And Finally...

...have a great weekend - the school is officially supporting England on Sunday!

Mr Julian Nicholls  
Head
