TRINITY  
CHURCH OF ENGLAND  
HIGH SCHOOL

HEAD: Julian R. Nicholls B.Sc., M.A.

19<sup>th</sup> July 2021

Dear Parent / Guardian,

Summer School is almost here! This is a really important event and we hope that at the end of it your child (and you!) will be less nervous about starting Trinity in September. To help us please find enclosed the following:

### Name Badges

2 name badges with your child's name and form. 1 badge is to be worn on the first day of Summer School and the other is to be worn on Thursday, 2<sup>nd</sup> September (the first day).

### Before I Start

This is for your child to fill in before they come to Summer School. Your child should bring this with them on the first day of Summer School.

### Parent Evaluation

This is for you to fill in at the **END** of your child's time at Summer School. Please return it either by post addressed to Mrs S. Brooks or by emailing it to s.brooks@trinityhigh.com by Friday, 3<sup>rd</sup> September.

I have put together a short video explaining what will happen during Summer School. Please watch this with your child. It can be found on the transition page of our website. At the end of each day (Monday to Thursday) your child will bring home a short evaluation form which they will bring back the following day. They will complete their Friday evaluation in school. These forms will help us to evaluate the impact Summer School has had and will help us to identify any support your child may need in September. Your child shouldn't spend more than 30 minutes on the form and it is absolutely fine if they tell you what they would like to say and for you to write it for them if this helps.

### Lateral Flow Testing

In September, students will be offered two lateral flow tests to be carried out in school, one at the start of term and the second 3 to 5 days later. To give your consent for your child to have the lateral flow tests please complete the online form available on the school website in the Covid 19 section and click on Lateral Flow Testing.

**Please note that if your child is feeling unwell or is presenting with any Covid symptoms they must NOT attend Summer School. Should your child have a positive Covid test and they have been present at Summer School please contact the school as soon as possible.**

Finally, if you have any questions either before or during Summer School then please email me. If you have any urgent enquiries during Summer School, then please ring the school on 0161 212 1900 and ask to speak to me or Mrs Barrett. Please note that although you can still send emails throughout the summer holidays, I will not be accessing them from 5pm on Friday, 30<sup>th</sup> July until the end of August.

I sincerely hope your child has an amazing time at Summer School and that you and your family have a good summer break.

Kind regards,

Mrs Suzanne Brooks  
Head of Transition
