

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

GCSE Results

In last week's newsletter, we celebrated the successes of our Year 13s and this week, it's the turn of our GCSE students. Year 11s collected their results on Thursday, 12th August, 2021.

It was a wonderful occasion and we saw many students reap the rewards of their hard work by getting the grades they needed to progress onto the next stage of education - including our own Sixth Form!

If you head over to our website, you can read all about the success stories of our Year 11s this year.

Welcoming our New Year 7s

On Thursday, 2nd September, 2021, we were delighted to welcome our new Year 7s to Trinity! Many students were already familiar with their form groups following their attendance at our summer school. Students have now been getting to know their teachers and way around the school. We are pleased to see how well they are settling in and are looking forward to a successful year.

Lateral Flow Testing

In order to make the return to school as safe as possible for everyone, we encouraged for consent from parents to be given for students to take a lateral flow test. Our Sports Centre played host as the testing site and we give thanks to our staff in school for organising all of the arrangements and to students and parents for their cooperation.

Scene Setting

Our 'Scene Setting' videos for the year are now live and available for all parents to watch on our website.

There is a whole school video to watch with relevant information for all, and then individual year group specific videos can be watched.

The videos are an excellent way to become familiar with key staff in school, including your child's Form Tutor. There are also important messages from some of our Assistant Heads for each key stage, along with our Senior Tutors and Pastoral Tutors, who detail key dates and information in order to plan for a successful year.

MY Ed
Connecting parents, students and schools

Download our school app NOW

Step 1:   Go to your app store

Step 2: Search for MyEd

Step 3:  Download the app

GET THE APP HERE
SCAN HERE

At the start of the recording, we encourage all of our parents to ensure that they have downloaded the 'MyEd' app as this is the main way for the school and parents to communicate. You can also view your child's reports, attendance, behaviour and achievements on the app, along with other important information about school.

IMPORTANT WARNING - SCHOOL I.T SERVICES THIS WEEKEND

Please note that due to electrical work that is taking place over the weekend, the school servers will be offline from 3.30pm on Friday, 10th September, until Monday morning. This means that it is very likely that the school website, e-mails and Show My Homework will be down during this time. A text messages has been sent to parents and we apologise for any inconvenience this may cause.

And Finally...
