## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

## European Day of Languages

Last week, we celebrated European Day of Languages with a variety of events happening throughout the school. There was a form competition about different languages spoken by students, a quiz for students to test their knowledge on different languages and cultures, and videos from our Modern Foreign Languages (MFL) department about their experience of learning languages. Students were also treated to some culinary delights from our catering team with a range of European dishes.

Our thanks go to our International Links Coordinator, Ms Walker, and the MFL team, for organising the events that allowed us to come together and celebrate European languages.

## Football Update

PE Assistant, Mr Bryan, tells us the latest sporting news:

“It’s been another successful week for Team Trinity in the football cups. Our Sixth Form boys (pictured on the right) were involved in a very thrilling match against Bacup in the English Schools’ Cup. Our boys got better as the game progressed, eventually winning 3 - 1 with some great goals. Our Year 8 boys continued with their very impressive start to the season cruising to a magnificent

10 - 0 win against Parrs Wood in the Greater Manchester Cup, showing fantastic team work. Both teams can now look forward to the next round.”

## Cultural Celebration on Black Diversity

Members of our School Council, alongside our Trinity Together team, would like to invite you to join us after school on Tuesday, 19<sup>th</sup> October, 2021 in the school’s Drama Studio for a ‘**Cultural Celebration of Black Diversity**’. ## **School Picking Up Time**

The areas on Higher Cambridge Street at the front of school and Boundary Lane at the back of school are very busy at the end of the day. We are asking parents to try and make arrangements to collect your children in a street a little further away from the school exits.

This will reduce congestion and also reduce the risk of an accident. Thank you in advance for your cooperation.

## **Open Evening and September 2022 Admissions for Years 7 and 12**

Last Thursday evening was our annual Open Evening for both the main school and our Sixth Form. We were delighted to welcome 200 families to the main school to see everything our school has to offer. Highlights included our students diagnosing medieval illness in the History department, experiments in our science labs, countdown games in the maths and English departments and even roasting marshmallows by a campfire with our Duke of Edinburgh Award team!

Our Sixth Form event was equally as successful as we welcomed 250 students to tour the Sixth Form Centre and see our superb facilities.

## Covid-19 Vaccinations

We have been informed by the school immunisations team that vaccinations for students who are between the ages of 12 and 15 will take place on Wednesday 13th and Thursday, 14th October, 2021. Consent forms and information is being e-mailed to parents of eligible children with full details.

## And Finally...

...last Thursday, our first Eucharist of the school year for students took place in the drama studio. Our thanks go to staff from Holy Trinity Platt Church for leading the service. We were encouraged by the message of God's love for each of us, and our prayers for the staff and students.
